## EMPLOYMENT EXPERIENCE

### CITY OF CHARLOTTETOWN PLANNING & HERITAGE DEPARTMENT

Charlottetown, Prince Edward Island

#### Positions:

- **Summer Student** | June 2012 – September 2012
- **Dalhousie Honours Program Internship** | Dec 2012 – Feb 2013
- **Junior Development Officer** | May 2013 – November 2013
- **Planning & Development Officer I** | November 2013 – July 2016
- **Planner I** | July 2016 – December 2017
- **Planner II** | January 2018 – Present

#### Responsibilities:

- Interpret and explain the Official Plan, Zoning & Development Bylaw, Planning Act and other relevant planning instruments.
- Receive, analyze, and process development applications, building permits, and subdivision applications.
- Review, evaluate, and prepare reports for subdivisions, lot consolidations, by-law amendments, variance, and rezonings.
- Review site plans, landscape plans and design drawings to ensure they meet design criteria.
- Provide advice, guidance, and administrative services to the general public and elected officials.
- Serve as an administrative advisor to Council, Planning Board, and Heritage Board and, where necessary, attend and represent these bodies at meetings.

### TOWN OF ALBERTON | CONSULTANT | Freelance Planner

Alberton, Prince Edward Island

May 2018 – Present

**Project Description:** The Town of Alberton approached me to act as a consultant / Planner in order to help the CAO with the analysis of development applications and provide guidance through the planning process.

### TOWN OF ALBERTON | DEVELOPMENT BYLAW REVIEW | Freelance Planner

Alberton, Prince Edward Island

April 2017 – May 2018

**Project Description:** Following the review of the Official Plan, the Town of Alberton approached us to review the Development Bylaw. The project included formatting the existing Development Bylaw as well as a general review to ensure the Bylaw meets the needs of the municipality and is consistent with the Official Plan.

**TOWN OF ALBERTON | OFFICIAL PLAN REVIEW** | Freelance Planner

Alberton, Prince Edward Island

April 2016 – October 2016

**Project Description:** Our proposal was accepted to review the Official Plan. The project included ensuring that the policy area of the Plan continue to meet the needs of the municipality, replace the existing future land use map with an updated land use map integrating all of the changes since the last review, and update statistics and other figures.

**CAPE BEAR LIGHTHOUSE | MASTER PLAN** | Freelance Planner

Murray Harbour, Prince Edward Island

October 2014 – April 2015

**Project Description:** I was hired to create a master plan for the Cape Bear lighthouse committee. The master plan includes the relocation of the lighthouse to avoid it being subject to coastal erosion and develop a sustainable, year round plan for the 114 acres parcel of land.

---

**EDUCATION**

**BACHELOR OF COMMUNITY DESIGN: HONOURS MAJOR IN URBAN DESIGN STUDIES**

Dalhousie University

Halifax, Nova Scotia

2009 - 2013

**HIGH SCHOOL DIPLOMA** | French Immersion Certificate

Colonel Gray Senior High School

Charlottetown, Prince Edward Island

2006 – 2009

---

**RELEVANT  
PROJECTS**

**HONOURS THESIS: NOVA SCOTIA COLLISION STUDY**

Dalhousie University

**Project Description:** The thesis involved analyzing all types of collisions in Nova Scotia to identify the patterns and trends to help address the research question: Identify road safety issues by analyzing and illustrating all types of collisions in Nova Scotia, and improve the safety for those users.

**HONOURS STUDIO PROJECT**

Dalhousie University

**Project Description:** The project involved working with sixteen planning students to create recommendations for the McNabs and Lawlor Islands Provincial Park Management Plan. My individual component was being responsible for understanding the historic context of the Maugher Beach Lighthouse and the potential for the lighthouse to become a heritage property at all three levels of government designation.
