Dear Mr. MacKenzie:

**UE20730 - Amendment to Figure 2
of the 2020 Annual Capital Budget Application**

Please find attached, an amended Figure 2 of the 2020 Annual Capital Budget Application filed with the Commission on August 22, 2019 (Commission Dockett UE20730).

The original Figure 2 included in the August 22, 2019 filing did not properly reflect the proposed 2020 Capital Expenditures by Capital Expenditure Classification as set out in the evidence in Sections 4 - 9 of the Application. The revised Figure 2 attached hereto properly reflects the proposed 2020 Capital Expenditures by Capital Expenditure Classification in accordance with the draft Capital Budget Expenditure Criteria.

If you have any questions, please do not hesitate to contact me at 902-629-3641.

Yours truly,
