Dear Ms. Mosher:

**UE20944 – Interrogatories 29, 30 and 31 of Commission Staff**

Maritime Electric seeks permission to file its responses to the above noted interrogatories on a confidential basis consistent with responses to past interrogatories from the Commission with respect to compensation matters. The Company recognizes the Commission's obligation to review all aspects of costs for which the Utility seeks recovery from its customers. The information requested is both personal information of the named individuals and commercially sensitive in nature as the Company competes to attract and retain highly skilled employees. Providing the requested information on a confidential basis will enable the Commission to fulfill its obligation while protecting both the privacy of individuals and the commercial nature of the information.

If you have any questions, please do not hesitate to contact the undersigned at 902-629-3696.
