Subject: Electric Rate Hearing

Maritime Electric is owned my Fortis. Fortis is huge and extremely wealthy. Fortis pays a huge dividend because they can.

Maritime Electric will shake me down for \$650.00 a month. I live by myself in a small modest home. There is no justification for a rate increase other than greed.

In addition to currently overcharging, because they can, it is not unusual to lose our electricity several times a year. Above ground cables are unsightly and dangerous. Fortis should spend some of their vast wealth to bury cables.

STOP this travesty and deny greedy Fortis from gouging us further.
