**Attachments:** PEIEC\_Eastern\_Kings\_EIA\_23Oct2019.pdf

Hi All,

The Environmental Land Management Section has received an Environmental Impact Statement for the construction and operation of a 30 megawatt wind farm in Eastern Kings (attached and also available at <https://www.princeedwardisland.ca/en/feature/projects-under-environmental-review-undertakings#/?e=EnvironmentalImpactAssessmentView&id=8d3534b9-5b75-4db9-a55c-2c41c28aacfd> by searching the database for 2019 projects)

Please review this document from the perspective of your legislative mandate and the expertise available within your organization and respond with any comments/concerns regarding the potential environmental impact of the proposed project and/or any additional information requirements. If you have no comments or concerns also please let us know.

We request your response not later than **Friday November 29, 2019**. Thank you in advance for your cooperation.  
Regards,

Dale Thompson
