

Notice of Application Rate Increase – Water and Sewer Rates Rural Municipality of Crapaud Water and Sewer Utility

The **Rural Municipality of Crapaud Water and Sewer Utility** has applied to the Prince Edward Island Regulatory & Appeals Commission for approval to increase water and sewer rates using a phased-in approach, as follows:

- 7.5% increase on April 1, 2026
- 7.5% increase on April 1, 2027
- 7.5% increase on April 1, 2028
- 7.5% increase on April 1, 2029.

Proposed rate increases are as follows:

	Current	Rate Apr-01-26	Rate Apr-01-27	Rate Apr-01-28	Rate Apr-01-29
Sewer	\$385.00	\$413.88	\$444.92	\$478.28	\$514.16
Water	\$380.00	\$408.50	\$439.14	\$472.07	\$507.48

DETAILS OF THE RATE APPLICATION and the Utility's current rate tariff can be viewed on the Commission website at

<https://irac.pe.ca/utilities/water-sewer/>

IF YOU WANT TO COMMENT on the application, you can write or email the Commission at the address below. All comments received by the Commission will be made public and posted on the Commission website. Questions on the application should be sent directly to the Utility at the address below.

Written comments are due by Wednesday, May 27, 2026.

THE COMMISSION'S RATE REVIEW PROCESS INCLUDES:

- Utility files a rate application;
- Public notice of the Utility's proposed rate changes;
- Commission review of the application and written comments; and
- Commission Order outlining the decision and the rates to be charged.

Decisions on the Utility's application can be found on the Commission website at <https://irac.pe.ca/utilities/water-sewer/>.
