

CORRECTION TO ISLAND REGULATORY AND APPEALS COMMISSION 2025-26 ANNUAL REPORT

The Island Regulatory and Appeals Commission would like to advise the public of a clerical error in its 2025-26 Annual Report. On Page 19 of the document, the error is in chart titled “Lands Protection Act Applications Processed”. While the data presented is correct, the breakdown of application types are incorrectly labelled as petroleum products. The chart with the correct breakdown of application types is shown below:

LANDS PROTECTION ACT APPLICATIONS PROCESSED

Fiscal Year	2023-24	2024-25	2025-26
Corporate Non-Resident	45	47	100
Non-Resident	92	87	91
Corporate	340	346	292
Global Lease	13	11	20
Amended Permits	6	6	11
Amendments	21	18	27
Non-Profit	-	22	34
Totals	517	515	575

This information can also be found on Page 11 of the Annual Report, where it is displayed correctly.

We apologize for the error and have notified the Minister of Education and Early Years. We will update the digital version on our website with a corrected version once available.
