**Subject:** Request to file letters of support

Hi Nicole,

Please find attached a letter in support of D.P. Murphy Inc.'s application submitted by Robert Irving.

We are also writing to advise that D.P. Murphy Inc. is intending on submitting for the Commission's consideration two further letters in support of D.P. Murphy Inc.'s application. We expected to be in a position to submit these two letters for filing with the Commission today, however weather disruptions over the past number of days has delayed the supporting entities in being able to provide the letters of support before 4:00pm today.

We are aware that unless provided for in the Commission's Rules of Hearing Practice and Procedure or otherwise directed by the Commission, all documents must be submitted to the Commission no later than five (5) days prior to the commencement of a hearing. We regret that we are not in a position to file these letters of support by 4:00pm today, and respectfully request that the Commission grant D.P. Murphy Inc. until 4:00pm on Friday, February 21, 2025, to file these letters. Should our request be granted by the Commission, D.P. Murphy Inc. will ensure that the letters are also served on the intervening parties at the same time we request the support letters be filed.

We thank the Commission in advance for its consideration of this request.

Hilary
