Dear Ms. Crockett:

RE: Docket UE20747 – Response to MECL's Extension Request

The Commission acknowledges receipt of Maritime Electric Company, Limited's letter dated October 8, 2026, requesting an extension of the deadline to respond to the Commission's interrogatories regarding the 2025 Capital Budget Variance Report from October 9, 2026 to November 13, 2026.

Maritime Electric has advised that the requested extension is required to allow the Company to prioritize responses to information requests related to the 2026 Capital Budget Application and the Electricity Efficiency & Conservation Plan funding and Demand Response proceeding, as well as its filing commitments under Rate Design Order UE26-02. The Company has requested the extension to November 13, 2026 to allow sufficient time to complete its responses.

The Commission has considered the request and the circumstances outlined therein and finds the request reasonable. Accordingly, the Commission approves the requested extension. Maritime Electric's responses shall be filed with the Commission no later than Friday, November 13, 2026.

Yours truly,

Cheryl Bradley, CPA
