Dear Mr. Collier and Ms. Tweedy:

RE: Docket UE20742 – Response to PEIEC’s Extension Request to Respond to Interrogatories

The Commission acknowledges receipt of your letter dated March 5, 2026 requesting an extension for the Prince Edward Island Energy Corporation (“PEIEC”) to respond to Commission Staff interrogatories in relation to the On-Island Capacity for Security of Supply Supplemental Capital Budget Request (Docket UE20742).

In the request, PEIEC noted that despite diligent efforts it would be difficult to complete the responses by the original deadline of March 6, 2026, in part due to internal reorganization within Government that has affected PEIEC. PEIEC also indicated that the additional time would assist in ensuring that its responses are full and complete.

The Commission has considered the request and the circumstances outlined therein and finds the request reasonable. Accordingly, the Commission approves the requested extension. PEIEC’s responses shall be filed with the Commission and served on all parties no later than Friday March 13, 2026.

Yours truly,

Cheryl Bradley, CPA
