Hello Interveners,

As the next step in our Margin Review process, Interveners may submit interrogatories to Signal Energy Consulting with respect to Signal's Expert Report: [Petroleum Products Benchmark, Pricing, and Margin Review \(2025\)](#).

We would ask all Interveners to submit the interrogatories to IRAC in three weeks, **by Wednesday, July 29, 2026 at close of business**.

Thank you, and we look forward to your interrogatories.
