Dear Counsel:

**RE: Application for On-Island Capacity for Security of Supply Project
Commission Docket UE20742**

As you know, on June 3, 2025, the Prince Edward Island Regulatory and Appeals Commission (the "Commission") received a request from the Applicant, Maritime Electric Company, Limited ("MECL"), to enter into settlement negotiations with your client, Prince Edward Island Energy Corporation ("PEIEC").

By letter to the parties dated June 25, 2025, the Commission directed PEIEC to advise of its position on MECL's request by no later than 4:00 p.m. on July 3, 2025.

On July 3, 2025, PEIEC requested a two-week extension to advise of their position. In support of its request for an extension, PEIEC states that the brief extension will enable a fulsome discussion on the matter and will not unduly delay the Application or the potential settlement negotiations.

The Commission is satisfied that PEIEC's request for a brief extension is, in the circumstances, reasonable. The request for an extension is granted, and PEIEC will have until **4:00 p.m. on July 17, 2025** to advise of its position on MECL's request to negotiate.

Yours very truly,

Cheryl Bradley, CPA
