To whom it may concern,

It has been brought to my attention that some people feel that access to and from Cerettis Grocery in Borden - Carleton, PE is hazardous. I want to give my opinion as I own a trucking company based on P.E.I. Myself or my drivers have not had any issues arriving or departing Cerettis when we buy fuel there. We buy fuel there due to the convenient location. No problems have been reported to me over the last 10 years of entering or leaving this location from the TCH by my drivers. We have tractor trailers that are 73 ft long and that have stopped to fuel there 2 - 3 times a week year round.

Best regards,
