The Island Regulatory
and Appeals Commission

Jun 5, 2026

To Whom It May Concern;

Please be aware the Rural Municipality of Crapaud has applied to the Island Regulatory and Appeals Commission (IRAC) to increase the sewer and water utilities in Crapaud. The current rates have been in effect since 2012 and 2013. We have been managing in a deficit each year so this increase has been carefully discussed since 2023 as well as reviewed and considered by council. We have applied for the following increases (outlined in the attached document) which was posted in the Guardian on May 9, 2026. The deadline for written comments has been extended to June 19, 2026.

Please note, if our application is approved, you will receive an amended utility bill for the increased amount as the rate increase is retroactive.

If you have any questions, comments or concerns, please forward them to our office by email (admin@rmofcrapaud.com) or by phone 902.658.2558.

Sincerely,

Margaret Armsworthy, CAO
