Hi Kelli,

I just got this information back from our accountants. With regards to question 5, we have confirmation the CHIF funding application was not approved but we have submitted this application for funding to the Build Canada Strong Fund as we are still looking to move forward with this project.

Any questions, please let me know.

Thanks
Margaret

Hi Kelli,

I am trying to get this completed by today. Some of the questions I have been researching because they are before my time as CAO.

I may require more time but I would like to get this done as I am away next week so I do not want this to go too much beyond today.

Chat soon,
Margaret
