Re: Exhibit 12 – Objection to MECL’s Confidentiality Request – Docket UE20742

Dear Ms Bradley:

In keeping with the Commission’s approach to confidentiality which "begins from the principle of transparency in its proceedings", Energy Democracy Now Co-operative Limited does not support Maritime Electricity Company Limited’s request for confidentiality as it relates to its amended application.

The public interest in this request must take precedence over MECL’s interest in confidentiality.

The principle of transparency must be served and respected from the beginning to the end in this Maritime Electric application.

Respectfully submitted
