Dear Ms. Bradley:

**Re: Utilities Docket UE20742
MECL's Application Re a Supplemental Budget Request for On-Island Capacity
PEIEC's Request of an Extension to Respond to Interrogatories**

1. We write on behalf of the Prince Edward Island Energy Corporation (the "PEIEC") with respect to the above noted Application (the "Application") by Maritime Electric Company, Limited ("MECL").
2. The Island Regulatory and Appeals Commission (the "Commission") provided Interrogatories of Commission Staff to PEIEC on February 13, 2026 and requested a response from PEIEC on or before March 6, 2026.
3. Unfortunately, and despite diligent efforts, the PEIEC is unlikely to be in a position to complete and submit the Interrogatories by end of day March 6, 2026. This is in part due to internal reorganization in Government that impacted the PEIEC.
4. The PEIEC wants to ensure its responses to the Interrogatories provide full and complete answers such that they assist the Commission in a fuller understanding of this important issue.
5. As such, the PEIEC respectfully requests an extension to March 13, 2026 to provide this response. The PEIEC feels this brief extension will not unduly delay this matter.

6. We appreciate the Commission's consideration of this request and look forward to direction on this issue.

All of which is respectfully submitted on March 6, 2026.
