Island Regulatory and Appeals Commission
PO Box 577
Charlottetown, PE C1A 7L1

Dear Commissioners:

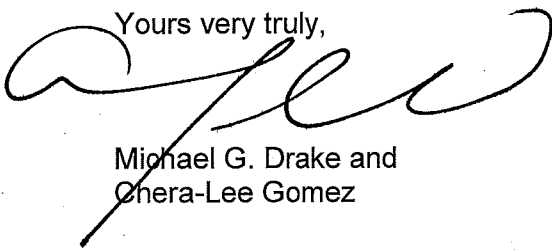

**Re: Prince Edward Island Energy Corporation Application to Intervene as Added Party
in MECL 2023 General Rate Application**

We submit this correspondence on behalf of the Intervener, Prince Edward Island Energy Corporation ("PEIEC") and the Government of Prince Edward Island.

By earlier correspondence of this date, Maritime Electric Company Limited ("MECL"), further to the negotiated settlement process authorized by the Commission in accordance with its Rules, submitted a draft order and correspondence outlining the settlement reached by the parties during the negotiating process.

I confirm on behalf of PEIEC and Government that the draft order and correspondence submitted by MECL accurately reflect the outcome of the negotiated settlement process, and do hereby endorse both for approval by the Commission.

Yours very truly,

Michael G. Drake and
Chera-Lee Gomez
