Subject: RE: MECL Application for On-Island Capacity (Docket UE20742)

Hello Nicole,

Further to the Commission's July 4, 2025 direction permitting the PEIEC's request for an extension to respond to MECL's request for a negotiated settlement, I will not have instructions to provide such a response by today's timeline. As such, I am instructed to respectfully request a further extension to end of business July 22, 2025 to facilitate PEIEC being in a position respond substantively to MECL's request.

I apologize for the delay, the lateness of this request and thank the Commission for considering same.

Best Regards,

Richard
