Dear Ms. Bradley:

**Re: Utilities Docket UE20742**

**MECL's Application re a Supplemental Budget Request for On-Island Capacity**

**MECL's Request for a Deferral Account**

---

1. We write on behalf of the Prince Edward Island Energy Corporation (the “PEIEC”) with respect to the Island Regulatory and Appeals Commission’s (the “Commission”) order UE25-07 dated December 5, 2025 (the “Order”) on the above noted Application (the “Application”) by Maritime Electric Company, Limited (“MECL”).
2. In the Order, the Commission decided, amongst other matters, on MECL’s confidentiality request. The Order also provided all Intervenors additional time to make submissions on MECL’s request for a Work-in-Progress (WIP) Deferral Account, and directed that such submissions be made by January 5, 2026.
3. The PEIEC respectfully requests an extension from January 5, 2026 to January 9, 2026 to file its submissions regarding the deferral account request. The PEIEC would like the additional time to review internally and with Government. Given the time of year, this brief extension will allow for the necessary discussions to occur.
4. The PEIEC feels this brief extension to enable a more fulsome submission from the PEIEC and will not unduly delay the Application. If the Commission grants this extension, the PEIEC is likewise agreeable to the Friend of the Commission Intervenors receiving the same extension to make their respective submissions.
