3.0 INTRODUCTION

3.1 Corporate Profile

Maritime Electric owns and operates a fully integrated system providing for the purchase, generation, transmission, distribution and sale of electricity throughout Prince Edward Island ("PEI"). The Company's head office is located in Charlottetown with generating facilities in Charlottetown and Borden-Carleton.

Maritime Electric is the primary provider of electricity on PEI delivering approximately 90 per cent of the energy on PEI. To meet customers' energy demand and supply requirements, the Company has contractual entitlement to capacity and energy from NB Power's Point Lepreau Nuclear Generating Station and an agreement for the purchase of capacity and system energy from NB Power, delivered via four submarine cables owned by the Province of PEI. Through various contracts with the PEI Energy Corporation, the Company purchases the capacity and energy from 92.5 megawatts ("MW") of wind generation and the energy from 10 MW of solar generation located on PEI. In the event that the wind or solar generation fail to provide the energy expected through these contracts, shortfall is obtained through additional energy purchases from NB Power or by operating the Company's combustion turbines, which provide 89 MW of on-island backup generation.

3.2 Overview of Evidence

This evidence is filed in support of the Company's Application for the issuance of \$120.0 million of long-term first mortgage bonds. The Application is filed pursuant to Section 12(1) of the *Electric Power Act*.

4.0 BACKGROUND

4.1 Description of Long-Term Debt to be Issued

Maritime Electric proposes to issue \$120.0 million in asset backed, or secured, long-term first mortgage bonds. The bonds will be direct senior secured obligations of the Company and will rank pari passu (with equal rights of payment) with all existing and future first mortgage bonds of the Company issued pursuant to the 1955 Deed of Trust and Mortgage ("Deed of Trust"). A copy of the Deed of Trust is attached herein as Appendix A. This is a private placement and will be offered to existing bondholders as well as any potential new investors that may be identified.

The proceeds of the issue, net of estimated issue cost of approximately \$765,000 (or 0.85 per cent of principal), will be used to repay outstanding short-term borrowings accumulated through the Company's normal business activities and capital program, which is further discussed in Section 4.3.

Maritime Electric plans to price and close the debt issue by mid-June, 2025. The terms of the debt issue will be determined just prior to the execution of the private placement and will be driven primarily by market conditions and demand for various term lengths at the time. The Company's two most recent debt issues in 2021 and 2023 were both issued at tenures of 30 years. Based on recent market conditions, it is expected that the optimal term length for the proposed debt issue will be 30 years.

The interest rate on the debt is "priced" based on the prevailing rate for 30 year long-term Government of Canada ("GOC") bonds with an associated premium based on the Company's corporate credit rating of BBB+ and senior secured long-term debt rating which is currently set at A by Standard and Poor's ("S&P"), attached herein as Appendix B. The interest rate may also be impacted by variances of the selected term length from the 30-year GOC benchmark rate.

4.2 Process

On May 1, 2025, the Company's Board of Directors approved a resolution authorizing the Company to issue first mortgage bonds secured under the Deed of Trust, subject to Commission approval. Consistent with previous debt issuances, this issue must meet the requirements of the

SECTION 4 - BACKGROUND

1 covenants contained in Sections 5.07 and 5.08 of the Deed of Trust, including a Negative Pledge
2 related to interest coverage as well as a Limitation on Additional Indebtedness related to the value
3 of assets pledged as security.

4
5 These covenants deal with the expected mode of operation of the Company and certain
6 conditions precedent to the issue of long-term debt. It is the Company's position that it is in, and
7 will remain in, compliance with these covenants and will meet the terms of the associated Net
8 Earnings Test and the Assets to be Pledged Test as set out in the Deed of Trust. The definition
9 of these covenants and the associated certificates for the tests (in draft form) are included under
10 Appendices C and D. Final copies of these tests will be included in the closing documents at the
11 time the debt is issued.

12
13 In preparation for seeking Board of Directors' approval, Management contacted RBC Capital
14 Markets ("RBC") and Scotia Capital Inc. ("Scotiabank") to obtain proposals and indicative pricing
15 for acting as Agent and Arranger for the planned private placement. Upon review of the proposals,
16 RBC was selected to act as sole Agent and Arranger.

17
18 RBC's role is to provide market expertise to secure, on behalf of the Company, the lowest possible
19 coupon rate on the debt. In order to meet this objective, RBC will initiate discussions with existing
20 and potential new bondholders to stimulate interest in the issue and force downward pressure on
21 the expected premium over long-term GOC bonds. A draft Illustrative Term Sheet has been
22 prepared, herein attached as Appendix E, and will be used by the Company when meeting with
23 potential investors.

24
25 Once Commission approval of the Application has been granted, the Company will complete
26 negotiations with the potential bondholders. It is the Company's desire to expedite the closing of
27 this long-term debt issue on a timely basis in order to capitalize upon current market conditions.

4.3 Outstanding Short-Term Borrowings

28
29
30 Maritime Electric has a \$90 million unsecured committed revolving credit facility. There was a
31 balance of \$69.2 million outstanding as of April 30, 2025. As such the proceeds of the debt issue
32 will be used to repay the outstanding credit facility balance. Of the remaining funds, \$15.0 million

SECTION 4 - BACKGROUND

will be used to repay a first mortgage bond series that matures in November 2025.

4.4 Outstanding First Mortgage Bonds

Maritime Electric has a total of \$320.0 million in long-term debt outstanding with various insurance companies as of April 30, 2025. The following schedule outlines the terms of the existing long-term debt.

SCHEDULE 1		
Outstanding First Mortgage Bonds		
Maturity Date	Coupon Rate	Principal
2025 ¹	7.570%	\$15,000,000
2027	8.625%	\$15,000,000
2031	8.920%	\$20,000,000
2038	6.054%	\$60,000,000
2051	3.397%	\$40,000,000
2053	5.203%	\$60,000,000
2056	3.657%	\$40,000,000
2058	4.148%	\$40,000,000
2061	4.915%	\$30,000,000
Total		\$320,000,000

4.5 Potential Investors

Maritime Electric's long-term First Mortgage Bonds have traditionally been issued as a private placement with insurance companies who tend to be most active in this type of market. There has been significant consolidation within the insurance industry in recent years, which in combination with the relatively small size of the private placement, reduces the number of potential investors who have an interest in this form of an investment product. Where appropriate, steps will be taken to invite other potential new investors to participate in the proposed issue.

¹ Debt issue matures on November 1, 2025.

4.6 Summary

Based on discussions with RBC to date, Maritime Electric views this to be an opportune time in the market to obtain long-term financing. The expected amount of \$120.0 million will be used to extinguish outstanding short-term borrowings accumulated through the Company's normal business activities and capital program. This will be a private placement with marketing of the issue directed towards existing bondholders as well as potential new investors.

ARTICLE II

FORM AND EXECUTION OF BONDS

- 2.01 The bonds to be issued under and secured by this Deed may be issued originally in whole or in part either as coupon bonds, with or without privilege of registration as to principal, or as fully registered bonds without coupons, or, subject as hereinafter provided, as registered Debenture Stock. The coupon bonds and fully registered bonds, together with the interest coupons appertaining to the coupon bonds, shall be substantially in the forms marked "Y" and "Z", set out in the First Schedule hereof, with appropriate insertions, omissions, substitutions and variations, as may be required or permitted by the terms of this Deed. The bonds may be issued in series, limited or unlimited in aggregate principal amount, and all bonds of any one series shall be identical except to the extent of such appropriate differences authorized or permitted by this Deed between bonds of the different denominations and between coupon bonds and registered bonds as may be determined by the Directors at the creation of such series. At the option of the Company the maximum principal amount of bonds issuable of any series may be limited and may be expressed in the bonds of such series. The bonds of each particular series shall be designated by a distinguishing letter or otherwise, and may also be designated by appropriate words, and may be numbered in any manner prescribed by the Company with the approval of the Trustee. Coupon bonds of each series shall bear a date to be fixed by the directors at the time such series is created. Fully registered bonds without coupons shall bear the date of their certification respectively, and shall bear interest from the next preceding interest date, unless the date of certification is an interest date, when they shall bear interest from date of certification. The bonds of each particular series shall be of such denominations, interchangeable or not, shall be made payable at such

date, and shall bear interest at such rate as may from time to time be determined by the Directors and expressed in the Bonds of such Series, payable semi-annually or quarterly on such dates, and shall be payable as to principal and interest at such places, in such currencies, and at such specified rate or rates of exchange, if any, as shall be determined by the Directors at the time such Series is created and shall be expressed in the Bonds of such series; provided, however, that Bonds payable in other than Canadian currency shall for all purposes of computation of the limitations of amount of Bonds, exchange, convertibility, voting power and the like be taken as of equivalent amount to Bonds in Canadian currency at the rate of exchange as shall be determined by the Directors from time to time. The Bonds of any particular Series may be made redeemable before maturity at the option of the Company and may be made convertible at the option of the several holders thereof into capital stock or bonds or debenture stock of the Company, and such redemption or conversion may be at such prices and rates, upon such terms and conditions and during such periods as shall be determined by the Directors at the time such Series is created, and shall be expressed in the Bonds of such Series. Bonds of any particular Series may, to any specified extent, be made payable as to principal or interest or both without deduction for taxes payable thereon, or deductible therefrom, under the laws of any country where the same are payable, or may entitle the holders thereof to certain rights with respect to the refund of any specified taxes, the whole as shall be determined by the Directors at the time such Series is created and as shall be expressed in the Bonds of such Series or in a deed supplemental hereto.

When Bonds of a Series are issued in several denominations, Bonds of such denominations may be made interchangeable, and when Bonds of a Series are issued both as coupon Bonds and as fully registered Bonds without coupons, such coupon and fully registered Bonds may be made interchangeable, the whole as shall be determined by the Directors at the time such Series is created, and as shall be expressed in the Bonds of such Series, and shall be subject to such reasonable regulations as the Company and the Trustee may from time to time prescribe in regard to such interchange and all other matters not expressly provided for by this Deed.

Such Bonds may have imprinted thereon any legend, in such form as may be required to conform to the rules of any stock exchange or to custom, referring to the right to exchange coupon Bonds and registered Bonds or Bonds of different denominations.

All exchanges of Bonds shall be made only at the office of the Trustee in the City of Montreal, and/or at such other place or places as may be specified in the Bonds to be exchanged or designated by the Company for such purpose with the approval of the Trustee.

- 2.02 Notwithstanding anything herein contained, the Company may issue and the Trustee certify in place of all or any of the Bonds of any Series authorized to be issued hereunder registered Debenture Stock, payable in any one or more currencies in which the Bonds of such Series are or might be made payable and which shall confer upon the holders thereof as nearly as may be the same rights as would have been conferred by registered Bonds of the same nominal amount of the Series concerned. Such registered Debenture Stock shall rank and be

entitled to the security hereby constituted *pari passu* in all respects with the Bonds secured hereby. The company may at any time execute, in concurrence with the Trustee, such supplemental deed not inconsistent with the terms of this Indenture as the Trustee in its discretion may require, dealing with the issue of such registered Debenture Stock, the form of the certificates, the conditions and regulations subject to which the same may be issued and transferred, and such other matters as the Trustee may require, and the provisions of such supplemental deed when executed shall be taken to be incorporated in and to form part of these presents. Such supplemental deed shall expressly provide that the registered Debenture Stock shall not confer upon the holders thereof any higher rights or greater security than is enjoyed by the holders of the Bonds of the same Series. Such supplemental deed shall also provide that at meetings of bondholders, the holders of registered Debenture Stock shall have, as nearly as may be, the same voting rights as they would have had if they had held Bonds of corresponding principal amount to the registered Debenture Stock held by them.

Registered Debenture Stock of any series payable in sterling in Great Britain may be made interchangeable with bonds of the same series payable in lawful currency of Canada, and/or other currencies, in such manner and on such terms as may be determined by the Directors upon the creation of such series.

- 2.03 All Bonds issued, pledged and secured hereby shall be under the seal of the Company, and shall be signed by the President or a Vice-President of the Company and countersigned by the Secretary or an Assistant Secretary of the Company holding office at the time of signing. The signature of the President or Vice-President and the Secretary or an Assistant Secretary may be engraved, lithographed or otherwise mechanically reproduced on the Bonds, and such engraved or lithographed or otherwise mechanically reproduced signature shall for all purposes be deemed the signature of such officer, and shall be binding upon the Company. Notwithstanding any change in any of the persons holding said offices between the time of actual signing and the certifying and delivery of the Bonds, and notwithstanding that the President or Vice-President or Secretary or Assistant Secretary signing may not have held office at the date of this Deed, or at the date of the Bonds, or at the date of the certifying and delivery thereof, the Bonds so signed shall be valid and binding upon the Company, and entitled to the security of this Deed. Interest coupons attached to the Bonds shall have engraved, lithographed or otherwise mechanically reproduced thereon the signature of the Secretary or an Assistant Secretary of the Company, and such signature shall for all purposes be deemed the signature of such officer, and shall be binding upon the Company notwithstanding that the person whose signature may have been so engraved, lithographed, or otherwise mechanically reproduced is not at the date of this Deed or at the date of the Bonds, or at the date of the certifying and delivery thereof or at the date when a coupon is presented for payment the Secretary or an Assistant Secretary of the Company.

- 2.03(a) Wherever any proceeding, action, instrument, certificate or other document or thing is by this Deed or any deed or indenture supplemental hereto, required or permitted to be done by the President of the Company, either acting alone or with any other officer or person, the same may also be done, performed or carried out by the Chairman of the Board of the Company in place of the President with full effect as if done, performed or carried out by**

the said President. [As amended by Clause 6(b) of the Tenth Supplementary Deed of Trust and Mortgage, dated as of June 29, 1982.]

- 2.04 No Bond shall be issued, or if issued shall be obligatory or entitle the holder to the benefit of the security hereby created, until it has been certified by or on behalf of the Trustee in substantially the form set out in the First Schedule hereof, or in some other form approved by the Trustee, and such certificate on any Bond shall be conclusive evidence that it is duly issued, is a valid obligation of the Company, and is secured hereby.

The certificate of the Trustee endorsed on the Bonds issued hereunder shall not be construed as a representation or warranty by the Trustee as to the validity or security of this Deed or of said Bonds, and the said Trustee shall in no respect be liable or answerable for the use made of said Bonds or any of them or the proceeds thereof.

No Bonds, except upon transfer or in exchange for any Bonds, or in case of mutilated, stolen, lost or destroyed Bonds, shall be certified or delivered by the Trustee, if the Company is at the time, to the knowledge of the Trustee, in default under any of the provisions of this Deed.

If the Company shall so request, Bonds, Interim or Temporary Bonds, or Interim Certificates of the Trustee, or scrip for registered Debenture Stock, may be certified and delivered hereunder in advance of the registration of this Deed, but in such event the Company shall cause this Deed to be registered with all convenient speed in all places where the registration thereof in the opinion of counsel may be necessary to secure the lien hereof.

- 2.05 Pending the delivery of definitive lithographed, engraved or printed Bonds to the Trustee, the Company may execute and the Trustee certify in lieu thereof interim or temporary bonds or interim certificates, with or without coupons, in such forms and in such denominations as the Trustee and the Company may approve, entitling the holders thereof to definitive lithographed, engraved or printed Bonds with all coupons representing unpaid interest thereto attached when the same are ready for delivery, or the Company may execute and deliver to the Trustee an interim or temporary bond or bonds for the aggregate principal amount of Bonds authorized from time to time to be issued hereunder, and thereupon the Trustee may certify and hold the same pending the delivery of definitive bonds and may issue its interim certificates in such form and in such amounts not exceeding in the aggregate the principal amount of the interim or temporary bond or bonds so delivered to it as the Company and the Trustee may approve, entitling the holders thereof to definitive lithographed, engraved or printed Bonds with all coupons representing unpaid interest thereto attached, when same are ready for delivery, and interim or temporary bonds or interim certificates when executed and, if so required, certified and issued in accordance herewith, shall for all purposes rank in respect of this Deed equally with Bonds duly issued hereunder, and pending their exchange for definitive Bonds the holders of such interim or temporary bonds or interim certificates shall be deemed to be bondholders and entitled to the benefit and security of such Deed to the same extent and in the same manner as though such exchange had actually been made. The exchange of definitive Bonds for interim or temporary bonds or interim certificates will be made without charge on

surrender of such interim or temporary bonds or interim certificates at the office of the Trustee in Montreal and/or such other place or places as may be specified therein or designated by the Company with the approval of the Trustee, and upon such exchange such interim or temporary bonds or interim certificates shall be forthwith cancelled.

- 2.06 The Bonds may from time to time be issued in such amounts, to such persons, on such terms not inconsistent with any of the provisions of this Trust Deed, either absolutely or as security for loans or advances to the Company, or for indebtedness or other obligations of the Company, and either at par or at a discount or at a premium as the Directors may determine.

All Bonds issued and certified under any provision hereof shall be secured hereby and shall rank *pari passu* and be secured equally and ratably without discrimination or preference whatever may be the date or terms of the issue thereof respectively.

- 2.07 Interest coupons matured at the date of the delivery, if any, on any Bonds shall, unless the same represent unpaid interest on outstanding interim Bonds or certificates, be detached from such Bonds and cancelled before delivery thereof.

- 2.08 In case any Bond or coupon issued and secured hereunder shall become mutilated or be lost, stolen or destroyed, the Company in its discretion may issue and thereupon the Trustee shall certify and deliver a new Bond or deliver a new coupon of like tenor as the one mutilated, lost, stolen or destroyed in exchange for and in place of and upon cancellation of the mutilated Bond or coupon, or in lieu of and substitution for the same, if lost, stolen or destroyed; and the substituted Bond or coupon shall be in a form approved by the Trustee and shall be secured hereby equally with all other Bonds or coupons issued or to be issued hereunder, and without preference or priority one over another.

In case of loss, theft or destruction, the applicant for a substituted Bond or coupon shall furnish to the Company and to the Trustee such evidence of the loss, theft or destruction of the Bond or coupon so lost, stolen or destroyed as shall be satisfactory to the Company and to the Trustee in their discretion, and such applicant shall also furnish indemnity satisfactory to them in their discretion and shall pay to the Company the cost of the substituted Bond, including the Trustee's fee for certification.

- 2.09 Bonds secured hereby pledged or sold or otherwise issued by the Company, upon being released from pledge, or upon being re-purchased or otherwise acquired by the Company (except when expressly required to be cancelled pursuant to any other provisions of this Indenture or of the Bonds) shall be treated as unissued Bonds, but such Bonds without re-execution and without recertification by the Trustee, or upon cancellation thereof fresh Bonds issued in substitution therefor, may, before but not after the maturity thereof, again be sold, pledged or otherwise issued, re-issued or disposed of by the Company as often as it may repossess or acquire the same, and thereupon shall again be entitled to the security of this Trust Deed as upon their original issue.

- 2.10 The Company shall at all times cause to be kept by and at the Office of the Trustee in the City of Montreal, and may cause to be kept at such other places and by such other Registrars as the Company with the approval of the Trustee may designate,

or as may be designated in the Bonds of any particular Series, registration books in which shall be entered the names and addresses of the holders of fully registered Bonds without coupons and particulars of the Bonds held by them respectively, and in which transfers of such fully registered Bonds shall be registered, and which at all reasonable times shall be open for inspection by the Trustee or by any Bondholder.

Transfers of any such fully registered Bonds shall be valid only if made on such books by the registered holder or his attorney duly appointed by an instrument in writing in form and execution satisfactory to the Trustee, or by the executors or administrators of such registered holder, upon compliance with such reasonable requirements as the Trustee and/or other registrar may prescribe and upon the surrender of such Bond to the Trustee for cancellation; whereupon a new fully registered Bond or Bonds of the same Series and aggregate principal amount shall be issued to the transferee in exchange therefor.

The registers of fully registered Bonds without coupons may be closed for periods of not exceeding twenty-one days immediately preceding the dates upon which interest is payable. As interest matures upon such Bonds, the Company, or the Trustee, shall forward, or cause to be forwarded, by post to the registered address of the holder for the time being of each such Bond a cheque on the Company's bankers for such interest, payable at par at any of the places where interest is payable, under the terms of such Bond. Such cheque shall be payable to the order of such holder or, in the case of joint holders, to the order of all such joint holders (failing written instructions from them to the contrary), and shall be sent to the address of that one of such joint holders whose name stands first in the register, and the payment by the Company's bankers of such cheque shall be an effective discharge to the Company.

- 2.11 When coupon Bonds of any Series are issued hereunder with privilege of registration as to principal only, the Company shall at all times cause to be kept by and at the office of the Trustee in the City of Montreal, and may cause to be kept at such other places and by such other Registrars as may be prescribed by the Company and approved by the Trustee, or designated in the Bonds of such Series, registration books in which the holders of such coupon Bonds may register the same as to principal only, and which at all reasonable times shall be open for inspection by the Trustee or by any Bondholder. Such registration shall be noted on the Bond, after which no transfer shall be valid unless made on the transfer book at the office where such Bond is registered, by the registered holder or his attorney duly appointed by an instrument in writing in form and execution satisfactory to the Trustee, or by the executors or administrators of such registered holder, upon compliance with such reasonable requirements as the Trustee and/or other Registrar may prescribe, and unless such transfer shall have been duly noted on such Bond by the Trustee or other Registrar; but any such Bond may be discharged from registry by being transferred to bearer, after which it shall be transferable by delivery, but may be again and from time to time registered and discharged from registry.

Notwithstanding registration of any coupon Bond as to principal, the coupons when detached shall continue to be payable to bearer and pass by delivery.

- 2.12 No notice of any trust shall be entered on any register of Bonds or otherwise recognized, but the Bonds may be registered in the name of a trustee or trustees, and in such case neither the Company nor the Trustee shall be deemed to have notice of the trust represented by such trustee or trustees or be bound to see to the execution of any trust, whether express, implied or constructive, in respect of Bonds registered in the name of a trustee or trustees.

The registered holder for the time being of any of the Bonds when registered, and the bearer thereof for the time being when not registered and, subject to the provisions of sub-clause (d) of Clause 10.01 hereof, the bearer of any interest coupons appertaining to any of the Bonds shall be entitled to the principal moneys, premium, (if any), and interest represented by such instruments respectively free from all equities or rights of set-off or counter-claim between the Company and the original or any intermediate holder thereof, and all persons may act accordingly, and the receipt of any such registered holder or bearer as the case may be for any such principal moneys, premium, if any, and interest shall be a good discharge to the Company or the Trustee for the same, and neither the Company nor the Trustee shall be affected by notice of or be bound to see to the execution of any trust or equity affecting the ownership of any Bond or coupons or the principal moneys or interest owing upon such instruments respectively, or, save as ordered by a court of competent jurisdiction, or as required by statute, be bound to enquire into the title to any Bond or coupon.

In the case of joint registered holders, the principal moneys and premium (if any) thereby secured shall be deemed to be owing to them upon a joint account and may be paid to the holder whose name appears first on the register, and the receipt of such holder therefor shall constitute a valid discharge to the Trustee and to the Company.

The registered holder or registered Bonds, and in the case of joint registered holders, the holder whose name appears first on the register, and the bearer of Bonds not registered, and the bearer of interest coupons may be treated by the Company and the Trustee as the absolute owner of such Bonds or coupons for all purposes.

- 2.13 In every case of transfer (other than of a coupon Bond registered as to principal) or exchange, the Bonds, and the coupon (if any), surrendered shall be cancelled. For any exchange between denominations the Trustee may charge a fee not exceeding one dollar (\$1) for each new Bond issued upon such exchange. A fee not exceeding fifty cents (50¢) shall be payable to the Trustee or Registrar for every registration (except upon original issue) or transfer of a Bond; provided that if two or more Bonds in bearer form or registered in the same name are presented together for registration of the transfer thereof to one person or to bearer, the fee payable to the Trustee or other Registrar shall be not exceeding fifty cents (50¢) for one Bond and twenty-five cents (25¢) for each additional Bond of those so presented together. Payment of such charges shall be made by the party requesting such registration, exchange or transfer as a condition precedent thereto.
- 2.14 The Company shall also cause to be kept by and at the office of the Trustee in the City of Montreal, and at such other place or places and by such other registrar or registrars as the Company with the approval of the Trustee may designate, a

register or registers in which shall be entered the name and post office address of every holder of any unregistered Bonds who may so require, and which at all reasonable times shall be open for inspection by the Trustee or by any bondholder.

2.15 The Trustee shall be fully protected in acting thereon, if any request, direction, consent or notice of or from bondholders which this Deed may require or permit, be proved as follows:

- a. Any such request, direction, consent or notice may be in any number of concurrent instruments and may be executed by the holders of Bonds in person or by their agents or attorneys appointed in writing;
- b. The execution of any such request, direction, consent or notice by the holders of Bonds may be proved by the certificate of any Notary Public or other officer authorized to take acknowledgement of oaths or of deed to be recorded at the place where such certificate is made, certifying that the person executing acknowledged to him the execution thereof, or by any affidavit of a witness of such execution duly sworn to before any such Notary Public or officers or by the guarantee of signature by any barrister, attorney, solicitor, clergyman, Justice of the Peace, municipal officer or any officer of any bank or trust company, or by any stock brokerage firm;
- c. The amounts of unregistered Bonds held by any such bondholder and the Series and issue numbers of the Bonds so held by him and the date of his holding of same (which holding the Trustee may deem to continue until it receives notice in writing to the contrary) may be proved by a certificate executed by any trust company, bank or other depository, by a proper officer or representative, showing that at the date therein mentioned such person had deposited with such depository the Bonds therein described;
- d. The ownership of registered Bonds shall be proved by the books for the registration of such Bonds kept as herein provided, without actual production of the Bonds; and in the case of Bonds so registered on books kept by some other Registrar than the Trustee, a certificate by such other Registrar shall be proof of such registration.

Any request, direction, consent or notice by a person, natural or corporate, who by the provision of this clause 2.15, is treated as the owner of any such Bond, shall bind all future bearers, holders or owners of the same Bond and of all Bonds issued in exchange therefor or in lieu thereof, in respect of anything done or suffered by the Company or the Trustee in pursuance thereof.

2.16 Unless otherwise expressly provided in this Indenture or in any Bonds or any conditions endorsed thereon, all notices to be given hereunder to the Bondholders shall be and be deemed to be validly given if given in the manner set forth in Clause 8 of the Conditions to be endorsed on coupon Bonds as set out in the form marked "Y" in the First Schedule hereof, provided, however, that failure to send any such notice by post as therein provided shall not invalidate or otherwise prejudicially affect any proceedings referred to in such notice.

- 2.17 From time to time the Company and the Trustee may, when authorized by a resolution of the Directors and subject to the provisions of these presents, and they shall, when so required by these presents, execute, acknowledge and deliver by their proper officers, deeds or indentures supplemental hereto, which thereafter shall form part hereof, or may do and perform any other acts and things for any one or more or all of the following purposes: -
- a. Mortgaging, pledging or charging in favour of the Trustee, or assigning or transferring to the Trustee, any property, real, immovable, movable, personal or mixed, leases, contracts, franchises, agreements, shares of stock, bonds or other securities now owned or hereafter acquired by the Company;
 - b. Adding to the limitations or restrictions specified in these presents further limitations or restrictions, thereafter to be observed, upon the amount or the purposes of the issue of Bonds, or upon the payment of deposited moneys, or upon the dealing with the property of the Company, or upon the release of property from the lien hereof, provided that the Trustee shall be of opinion that such further limitations or restrictions shall not be prejudicial to the interests of the bondholders;
 - c. Adding to the covenants of the Company in these presents for the protection of holders of the bonds;
 - d. Making provision for the conversion (at the option of the holders) of Bonds of any Series into capital stock or bonds or Debenture Stock, or for the retirement through an additional sinking fund of anyone or more particular Series of Bonds;
 - e. Evidencing the succession (or successive successions) of another company to the Company and the covenants of and obligations assumed by such successor in accordance with the provisions of this Deed;
 - f. Establishing the terms, provisions and conditions of a particular issue or Series of Bonds as determined by the Directors and within the limitations herein expressed;
 - g. Providing for the issue of registered Debenture Stock in place of all or any part of the Bonds of any Series, the form of the certificates therefor, the conditions or regulations subject to which the same may be issued and transferred, and such other matters in regard thereto as the Trustee may require, the whole in the manner and subject to the conditions expressed in Clause 2.02 hereof;
 - h. Making such provisions not inconsistent with these presents as may be necessary or desirable with respect to matters or questions arising hereunder;
 - i. Providing for or altering the provisions hereof in respect of the exchange and transfer of Bonds;

- j. Providing for the issue of Bonds of denominations and varieties other than the denominations and varieties herein provided for;
- k. Consenting to the amendment, revision, extension, amplification, alteration or termination of any contract, agreement, lease, license or franchise forming part of the specifically mortgaged premises, provided that the Trustee shall be of the opinion that the giving of such assent shall not impair the security of the Bondholders hereunder, nor be prejudicial to their interests, and the Trustee may, before giving any such consent, consult any person whom it deems competent to advise on the matter, and in following the advice of such person or in acting upon its own initiative as herein permitted, the Trustee shall incur no responsibility whatsoever for the consequences following upon the giving of such consent;
- l. Making such provisions not inconsistent with these presents as may be necessary or desirable for the purpose of facilitating a listing or obtaining a quotation of the Bonds on the Montreal, London, New York or any other Stock Exchange or Bourse in Canada or elsewhere, including the making of any modifications in these presents or in the Schedules hereof, or in the form of the Bonds or coupons, which do not affect the substance thereof, and which, in the opinion of the Trustee, it may be expedient to make for the purpose aforesaid, provided that the Trustee shall be of opinion that such provisions and modifications will not be prejudicial to the interests of the Bondholders.

particulars of such series and the provisions of the Bonds of such series; Bonds so certified and delivered shall conform to such specifications, and

- 5.03 No Additional Bonds shall be certified or delivered under this Article V upon the basis of any expenditures for the purpose of keeping or maintaining the specifically mortgaged premises or the properties of the Pledged Subsidiary Companies in good and businesslike working order and condition and all Property Additions or Pledged Subsidiary Property Additions described in any certificate rendered with respect to any application under this Deed relating to any such Property Additions or Pledged Subsidiary Property Additions shall be subject to the deduction of an amount equal to the original cost of all property replaced or retired during the period covered by such certificate.

- 5.05 No Additional Bonds shall be certified and delivered upon the basis of Property Additions or Pledged Subsidiary Property Additions of the nature referred to in sub-paragraph (a) of the second paragraph of sub-clause (m) of Clause 1.01 hereof, unless compensation is provided for at the termination of either the lease or license or any agreement ancillary thereto or by the laws or regulations under which the same is issued, or unless, in the case of a lease or license from the Government of Canada or any Province thereof or other public authority, the Trustee receives an opinion of counsel to the effect that the right of termination is not customarily exercised, or unless such lease or license will by the terms thereof terminate not earlier than the date of maturity of any such Additional Bonds; provided, however, that whenever the Company or a Pledged Subsidiary Company is entitled to one or more renewals of any such lease or license either by the express provisions thereof, or, in the case of a lease or license from the Government of Canada, or of any Province thereof or other public authority, by reason of custom theretofore established and then effective, then for the purpose of this Clause 5.05 such lease or license shall not be deemed to terminate until the expiry of the last permissible renewal thereof; provided further that the restriction recited in this Clause 5.05 shall not apply to Property Additions or Pledged Subsidiary Property Additions of the nature referred to in sub-paragraph (b) of the second paragraph of sub-clause (m) of Clause 1.01 hereof.

- 5.06 No Additional Bonds shall be certified or delivered under this Article V upon the basis of Pledged Subsidiary Property Additions unless previous thereto or contemporaneously therewith, the Company shall have deposited with the Trustee, to form part of the specifically mortgaged premises hereunder: (1) all the issued shares (except directors' qualifying shares) of the Pledged Subsidiary Company, of which the Pledged Subsidiary Property Additions are made the basis of the application for the certification and delivery of such Additional Bonds, and (2) all the bonds, debentures and other securities of such Pledged Subsidiary Company then outstanding (except as provided in Clause 10.01 (m) hereof), including in all cases first mortgage bonds of such Pledged Subsidiary Company not previously made the basis of the issue of additional Bonds, and at least equal in principal amount to the principal amount of the Additional Bonds then applied for and secured by first fixed and specific mortgage, pledge and charge upon such Pledged Subsidiary Property Additions; and which first mortgage bonds shall mature not later than the maturity date of the Additional Bonds so applied for, shall not be redeemable prior to maturity at less than the principal amounts thereof and accrued interest, shall carry interest at the same rate as such Additional Bonds, and shall be issued under a mortgage or deed of trust in such form and containing such provisions not inconsistent with the requirements of this Clause 5.06 as such Pledged Subsidiary Company may determine.

 2. In amounts not exceeding in the aggregate sixty-six and two-thirds per cent ($66\frac{2}{3}\%$) of the cost or the then fair value, whichever is less, to a Pledged Subsidiary Company of Pledged Subsidiary Property Additions.

5.09 The Trustee shall from time to time certify and deliver Additional Bonds to the Company, or upon its written order pursuant to the provisions of this Article V, without receiving any consideration therefor, but only, except where Bonds are certified and delivered pursuant to Clause 5.02 hereof, upon the receipt of the Trustee of: -

Whenever the Company (provided the security hereby constituted shall not have become enforceable) shall in writing so request by an instrument signed by its President or a Vice-President and Secretary or Assistant Secretary under its corporate seal, the Trustee, at the cost and expense of the Company, shall assign and transfer to persons designated by the Company a sufficient number of such shares to qualify such persons to act as directors of such company or at stockholders' meetings; provided that the Trustee shall make such arrangements as it shall deem expedient for the protection of the trusts hereunder in respect of the shares so assigned and transferred.

9.03 Unless and until the security hereby constituted shall become enforceable:

- a. the Company shall be entitled to receive all interest paid in respect of any bonds, debentures or other securities forming part of the Pledged Securities; and the Company shall also be entitled to receive dividends (except stock dividends) out of net earnings or accumulated profits paid on all shares of stock, which shall form part of the Pledged Securities, although the same may have been transferred into the name of the Trustee or of its nominee;
- b. from time to time upon written request of the Company the Trustee shall deliver to the Company any coupons for such interest then in its possession, in order that the Company may receive payment thereof or may cause the same to be cancelled; and on like request the Trustee shall deliver to the Company suitable orders in favour of the Company, or its nominee, for the payment of such interest and of such dividends, and the Company may collect such coupons, interest and dividends, and the Trustee shall upon demand pay over to the Company any such interest and dividends which may be collected or be received by the Trustee;
- c. the Company shall be entitled to demand, receive and collect for its own use and may release and discharge any bonds, debentures or other securities of a Pledged Subsidiary Company forming part of the Pledged Securities (other than first mortgage bonds of a Pledged Subsidiary Company which have been made the basis of the issue of Additional Bonds under this Deed) and upon request of the Company the Trustee shall execute any reassignment or releases that may be required for that purpose.

Provided, however, and it is hereby declared and agreed, that except as in this Deed otherwise expressly provided:

1. the Company shall not be entitled to collect any stock dividends that may be declared on any shares of stock forming part of the Pledged Securities, and in case stock dividends are so declared the shares representing such stock dividends shall forthwith become a part of the specifically mortgaged premises, and the certificates therefor

shall be deposited with the Trustee, accompanied by all proper instruments of transfer or assignment thereof in blank; and

2. the Company shall not be entitled to collect any dividends on any shares of stock at any time forming part of the Pledged Securities which shall in any way be payable otherwise than out of net earnings or accumulated profits of the company issuing the same. The Trustee shall be entitled to assume that any interest or dividend (other than a stock dividend), payable on any of the Pledged Securities, may properly be paid to the Company until the Trustee shall be notified in writing to the contrary; and, in the absence of such written notification, it shall be presumed, as between the Trustee and the bondholders, that the Trustee in making any payment thereof to the Company acted in good faith. If any coupons or interest obligations, or if any bonds, debentures or other obligations of a Pledged Subsidiary Company, which shall have been delivered to the Company as in this Clause 9.03 provided, shall not forthwith be paid or cancelled, the Company shall return the same to the Trustee, which shall continue to hold them as part of the Pledged Securities.

In case any payments shall be received by the Trustee on account of the principal or interest of any bonds, debentures or other securities forming part of the Pledged Securities, or on account of shares of stock forming part of the Pledged Securities which the Company is not entitled to receive under the terms of this Deed, then in any such case, any sum shall be held by the Trustee as part of the specifically mortgaged premises, and shall be disposed of as provided in Clause 14.01 hereof.

- 9.04 Subject to the provisions of Clause 9.08 hereof, in the event of the non-payment at maturity of the principal of any bonds, debentures or other securities forming part of the Pledged Securities or in the event of the bankruptcy or insolvency of the company by which any of the Pledged Securities were issued, the Trustee may, in its discretion, and shall, if so requested in writing by the Company, or by the holders of at least ten per cent (10%) of the total principal amount of the Bonds then outstanding, and upon being furnished by the Company or by such bondholders with such funds as it may consider necessary for the purpose, enforce the collection of such principal or may enforce any provisions of the mortgage or deed of trust under which any of such Pledged Securities were issued or by which the same are secured, and may take all such proceedings and do all such acts and things, either alone or in conjunction with the Company, as it may consider to be necessary or advisable in the premises, the whole in the same manner and to the same extent as if it were itself the owner of such Pledged Securities.
- 9.05 Unless and until the security hereby constituted shall become enforceable, the Company shall have the right to vote or give consent for all purposes not contrary to its covenants herein contained or otherwise inconsistent with the provisions of this Deed, upon and in respect of all shares of stock forming part of the Pledged

Securities and from time to time upon demand of the Company, the Trustee shall make and deliver, or shall cause to be made and delivered to the Company or to its nominees, suitable powers of attorney or proxies to vote on any shares of stock which have been transferred into the name of the Trustee or its nominee, or to give consent in respect thereof.

The Company covenants that it will not vote the said shares of stock or any of them under any power of attorney or proxy executed and delivered to it under the provisions of this Clause 9.05, for any purposes contrary to or inconsistent with the provisions of this Deed. The Trustee may conclusively assume, irrespective of the purpose for which any meeting is called, that any proxy given by it will not be used by the Company in any way inconsistent with the provisions of this Deed.

- 9.06 In case at any time all or any part of the property of any company any of the shares, stocks, bonds, debentures or other securities of which form part of the Pledged Securities, shall be sold at any judicial or other involuntary sale, then, in any such event, if the property so sold can be acquired by crediting on such Pledged Securities any sum accruing or to be received thereon out of the proceeds of such property, and by paying not more than fifteen per cent (15%) of the price of such property in cash (or more than fifteen per cent (15%), if the Company or the holders of at least ten per cent (10%) of the total principal amount of the Bonds then outstanding shall so request), the Trustee may, in its discretion and, if requested in writing by the Company, or by the holders of at least ten per cent (10%) of the total principal amount of the Bonds then outstanding, and provided with the amount of cash necessary therefor (whether such amount be more or less than fifteen per cent (15%) of the price of such property) in every case shall purchase or cause to be purchased such property on behalf of the Trustee, either in the name of the Trustee, or of purchasing trustees, as the Trustee may determine, and shall use such Pledge Securities as far as may be, to make payment for such property; and in case of any such purchase, the Trustee shall take such steps as it may deem proper to cause such property either to be vested in the Company and to become part of the specifically mortgaged premises, or to be vested in a Pledged Subsidiary Company, or to be vested in a company organized or to be organized with power to acquire and manage such property, provided in that event that all the issued shares of stock (except Directors' qualifying shares), and all the bonds, debentures and other securities of such company shall be received by the Trustee and shall be held as part of the Pledged Securities.

The Trustee, with the consent of the Company, may at any time vote upon any shares of stock forming part of the Pledged Securities, and make take such other action as the Trustee in its discretion shall deem advisable to protect the interests of the Trustee and the interests of the bondholders in respect of any of the Pledged Securities; and, with such consent of the Company, the Trustee may join in any plan or reorganization in respect of any such Pledged Securities and may accept new securities, including in that term stocks issued in exchange therefor under such plan. In case the security hereunder shall have become enforceable the Trustee shall be entitled to take such steps without the consent of the Company.

The Company covenants that, on demand of the Trustee, it will forthwith pay, or will satisfactorily provide for, all expenditures incurred by the Trustee or the Company under any of the provisions of this Clause 9.06, including all sums

required to obtain and perfect the ownership of and title to any property which the Trustee shall purchase or shall cause or authorize to be purchased; and without impairment of, or prejudice to, any of its rights hereunder by reason of any default of the Company, the Trustee, in its discretion, may advance all such expenses and other moneys required, or may procure such advances to be made by others, and for such advances made by the Trustee, or by others at its request, with interest thereon at the rate of six per cent (6%) per annum, the Trustee shall have a first lien under this Deed in priority to the Bonds upon all the Pledged Securities in respect of which such advances shall have been made, and upon the proceeds thereof, and upon any property acquired by means thereof.

In case neither the Trustee nor the Company shall purchase or cause to be purchased the property sold at any such sale, and in case neither of them shall join in the plan of reorganization as aforesaid, in respect of such Pledged Securities, then the Trustee shall receive any portion of the proceeds of the sale accruing on such Pledged Securities, and such proceeds shall be held by it as part of the specifically mortgaged premises and shall be disposed of as provided in Clause 14.01 hereof.

- 9.07 Subject only to the actual exercise by the Company of rights in respect thereof conferred by this Deed, the Trustee shall have and may exercise all the rights of owner in respect of any of the Pledged Securities.
- 9.08 Unless and until the securities hereby constituted shall have become enforceable, the Company may at any time renew or extend any bonds, debentures or other securities of any Pledged Subsidiary Company at any rate of interest, or may accept in place of and in substitution therefor, other bonds, debentures or securities of such Pledged Subsidiary Company for at least the same principal amounts and at any rate of interest, and having substantially the same value, and, in case of bonds, debentures or securities secured by a mortgage or other lien, having substantially the same security; provided, however, that, in case of any substitution, bonds, debentures or securities, substituted as aforesaid shall forthwith be pledged under this Deed as part of the Pledged Securities and shall be held in the same manner as those for which they shall be substituted; and provided, further, that, in the case of any first mortgage bonds of a Pledged Subsidiary Company, which shall have been made the basis of the issue of Additional Bonds under this Deed, such first mortgage bonds shall not be extended beyond the due date of the Additional Bonds so issued hereunder.

At any time the Trustee may, in its discretion, and, if the security hereby constituted shall not have become enforceable, and if requested in writing by the Company, shall consent to any such renewal, extension or substitution. The Trustee may receive an opinion of counsel as conclusive evidence that any such renewal, extension or substitution is in compliance with this Clause 9.08

- 9.09 Unless and until the security hereby constituted shall have become enforceable, the Company shall have the right to vote or give consent, in respect to all or any part of the shares of stock of a Pledged Subsidiary Company having a par value, to the change thereof into shares having a higher or lower par value per share, or into shares having no par value, or to the change of shares having no par value into shares having a par value, and may consent at any time that the shares of

stock of any Pledged Subsidiary Company may be classified or reclassified in any manner permitted by law, provided that all of such shares specifically pledged hereunder shall be fully paid.

Unless and until the security hereby constituted shall become enforceable, the Company shall have the right to vote and give consent in respect of the reduction of the capital stock or the dissolution of any Pledged Subsidiary Company, if the Directors consider such reduction or dissolution desirable, subject to the provisions of Clause 9.03 hereof with respect to the payment in such cases to be made to the Trustee.

- 9.10 Anything in this Deed to the contrary notwithstanding, any Pledged Subsidiary Company may be consolidated with or merged into, or all of its property may be conveyed as an entirety or substantially as an entirety to any other company, including any other Pledged Subsidiary Company; provided, however, that any company formed by consolidation with any Pledged Subsidiary Company, or into which any Pledged Subsidiary Company shall be merged, shall continue to be or shall become a Pledged Subsidiary Company hereunder, and that all shares thereof specifically pledged hereunder shall be fully paid; and provided, further, that in case of any such sale by any Pledged Subsidiary Company, of all its property as an entirety or substantially as an entirety, the purchasing company shall continue to be or shall become a Pledged Subsidiary Company hereunder, and that all shares thereof specifically pledged hereunder shall be fully paid.
- 9.11 Any Pledged Subsidiary Company may be consolidated with or merged into the Company, or may sell to the Company its property as an entirety, or substantially as an entirety; provided however, that in the event of any such consolidation, merger or sale, all the properties and rights of the nature referred to in the second paragraph of Clause 8.01 hereof of such Pledged Subsidiary Company shall immediately upon such consolidation, merger, or sale become and be subject to the lien and operation of this Deed as part of the specifically mortgaged premises. The Company shall promptly register this Deed as a first fixed and specific mortgage, pledge and charge on any such property so becoming subject to the lien of this Deed, and shall execute, deliver and register all such other and further instruments of assignment, transfer, conveyance or mortgage as shall be necessary, or as the Trustee may reasonably require for that purpose. **Upon the amalgamation of the Company with Maritime Electric (P.E.I.) Limited, the Company shall promptly register this Deed as a first fixed and specific mortgage, pledge and charge on all the properties and rights of Maritime Electric (P.E.I.) Limited of the nature referred to in the second paragraph of Clause 8.01 hereof provided, however, that any rights of The New Brunswick Electric Power Commission respecting the purchase or acquisition by it of the interest of the Company in the Dalhousie Number 2 Thermal Generating Unit are hereby expressly permitted.** [As amended by Clause 12(c) of the Eleventh Supplementary Deed of Trust and Mortgage, dated as of June 15, 1988.]
- 9.12 The Trustee may vote or permit to be voted any of the shares forming part of the Pledged Securities, and may do any and all things proper to carry into effect the purposes of Clauses 9.09, 9.10 and 9.11 hereof; and, in connection with any consolidation, merger or sale, the Trustee may make or permit any necessary exchange, cancellation, substitution or surrender of bonds, debentures, securities

or shares, or may transfer, in whole in part, into the name of the Company or of the nominee of the Company, under such restrictions as the Trustee may deem sufficient for the protection of the bondholders, the shares of any company about to be merged or consolidated which then stand in the name of the Trustee or its nominee. Anything in this Deed to the contrary notwithstanding, in any case of the conveyance and transfer to the Company of all the property of any Pledged Subsidiary Company in accordance with the provisions of this Article IX, the lien of this Deed upon the shares of such Pledged Subsidiary Company shall terminate upon such conveyance or transfer becoming effective, without any further act or payment by the Company to the Trustee, and the certificates representing such shares shall be delivered to the Company.

- 9.13 The Company shall furnish to the Trustee a certificate signed by its President or a Vice-President, and by its Secretary or Assistant Secretary, as to any matters pertinent to any action taken or contemplated to be taken pursuant to Clauses 9.09, 9.10 or 9.11 hereof and also an opinion of counsel as to the legality and validity of any such action, and such certificate and such opinion may be accepted by the Trustee as conclusive evidence of the statements therein contained, and shall be full protection to the Trustee for any act done or suffered by it upon the faith thereof.
- 9.14 Every Pledged Subsidiary Company may with regard to any of its property take any action not requiring by law the authorization or consent of its stockholders and not in contravention of the express provisions of this Deed. So far as any desired action of a Pledged Subsidiary Company in regard to the sale or other disposition of its property may by the laws in that behalf at the time in force and governing such action require the authorization or consent of its stockholders, the Company may, in respect of the stock of such Pledged Subsidiary Company forming part of the Pledged Securities, until the security hereby constituted becomes enforceable, permit, authorize and consent to any dealing by such Pledged Subsidiary Company with its property in any manner not in contravention of the express provisions of this Deed. The Trustee shall at the written request of the Company execute all necessary proxies for the purpose.
- 9.15 Whenever in this Article IX it is provided that any right in respect of any of the Pledged Securities may be exercised by the Company only until the security hereby constituted becomes enforceable, such right, nevertheless, may be exercised by the Company in case the security hereby constituted is enforceable if the Trustee shall consent to such exercise. The Trustee shall not give such consent unless so requested in writing by the holders of all the Bonds then outstanding, or unless authorized by an Extraordinary Resolution of Bondholders passed in the manner provided by Article XXIII hereof, and in any case need not do so unless in its absolute discretion it shall have determined that such event will not adversely affect the interests of the Bondholders.

required, the receipts and vouchers establishing such payment; the Company and the Pledged Subsidiary Companies will duly observe and conform to all valid requirements of any governmental authority relative to any of the mortgaged premises or to the properties of the Pledged Subsidiary Companies and all covenants, terms and conditions upon or under which any of the mortgaged premises or of such properties are held.

- f. - g. That the Company will register these presents and all other instruments without delay at all offices where the registration or record thereof may by law be required to secure or to protect the lien hereof upon the present and future property intended to be covered hereby, and also wherever it may in the judgment of the Trustee, be of advantage or necessary to the security hereby created, and will deliver or exhibit to the Trustee on demand certificates establishing such registration, and the same from time to time renew, and the Company and the Pledged Subsidiary Companies will fulfill all the requirements of the laws of the Dominion, Provincial or Municipal Governments of Canada, or of any of their departments, and of any other competent authority.
- h. That the Company will fully and effectually maintain and keep maintained the security hereby constituted as a valid and effective security at all times during the continuance of the Bonds, or any of them, and will not permit or suffer any judgment for the enforcement of any lien or privilege of workmen, supplier of materials, builders or architects upon or in respect of any of the specifically mortgaged premises, or upon the property of any Pledged Subsidiary Company to remain unsatisfied for a period of thirty days after the date of such judgment; provided that the non-payment of any such judgment shall not be deemed to be a breach of this covenant if the Company or the Pledged Subsidiary Company concerned shall desire to contest the same, and if the Company shall, if required by the Trustee so

to do, give security to the satisfaction of the Trustee for the due payment of the amount claimed in respect thereof in case it shall be held to be a valid lien or privilege.

- i. That the Company will, except as elsewhere herein otherwise provided, at all times maintain its corporate existence and, subject to the provisions of Clauses 9.10 and 9.11 hereof, the corporate existences of the Pledged Subsidiary Companies, and subject to all the provisions herein contained, will diligently preserve all the rights, powers, privileges, franchises and goodwill owned by it and by the Pledged Subsidiary Companies.
- j. That the Company will diligently maintain, use and operate the mortgaged premises and cause the Pledged Subsidiary Companies diligently to maintain, use and operate properties thereof, and that the Company and the Pledged Subsidiary Companies will at all times repair and keep in repair and good order and condition all buildings, erections, machinery and plant, the use of which is necessary or advantageous in connection with the business or the operation of the properties of the Company or of such Pledged Subsidiary Companies, up to a modern standard of usage, and whenever necessary to maintain the same consistently with the best practice of other companies working similar undertakings, will renew and replace all and any of the same which may become worn, dilapidated, unserviceable, inconvenient, obsolete or destroyed even by a fortuitous event, fire or other cause, and will at all reasonable times allow and cause the Pledged Subsidiary Companies to allow the Trustee or its representatives access to the mortgaged premises in order to view the state and condition the same are in; provided, however, that nothing herein contained shall prevent the Company or a Pledged Subsidiary Company from ceasing to operate any plant or other property or from abandoning the same if in the opinion of the Directors it shall be advisable and in the best interests of the Company to do so.
- k. That subject to the provisions of Clause 13.01 of Article XIII hereof it will not, without the previous consent in writing of the Trustee, remove or destroy or permit to be removed or destroyed any of the buildings, machinery or structures comprised in or used with any of the Company's present or future power sites, power developments, generating plants, transmission lines or distribution, service or supply systems, unless such removal or destruction be with a view immediately to replace the same by other property of a more useful or convenient character, and of at least equal value, and the Trustee, if its consent to such removal is necessary, may, if it think proper, accept as satisfactory proof of advisability thereof, a resolution of the Directors that such removal or destruction is in their opinion to the advantage of the mortgaged premises, or such other proof thereof as may in the opinion of the Trustee be sufficient.

The Company, while not in default hereunder, may, without the consent of the Trustee, remove machinery from one part of the mortgaged premises to another (but not so as to subject the same to any lien, encumbrance or charge superior or equal to the lien of this Deed, to which such machinery was not subject prior to such removal), and may discontinue the operation

of any particular part thereof which it may consider unprofitable or disadvantageous to continue in operation.

- l. That if at any time any Pledged Subsidiary Company shall issue any further shares of its capital stock of any class, the Company will forthwith cause all of such additional shares to be deposited with the Trustee as part of the specifically mortgaged premises.
- m. That the Company will not cause, suffer or permit any Pledged Subsidiary Company to mortgage, pledge or charge the property of such Pledged Subsidiary Company or to issue any bonds, debentures or other securities (secured or unsecured), maturing more than one year from the date thereof (except purchase money obligations, to a principal amount not exceeding twenty-five per centum (25%) of the total funded debt of such Pledged Subsidiary Company), unless all such bonds, debentures and other securities are acquired by the Company and pledged to the Trustee as part of the specifically mortgaged premises; provided, however, that nothing in this Sub-clause (m) contained shall prevent the issue by any Pledged Subsidiary Company of obligations in the ordinary and usual course of the current business of such Pledged Subsidiary Company maturing not later than one year from the date thereof.
- n. That the Company will at all times keep its property, which is of an insurable nature and of a character usually insured by companies similarly situated, insured against loss or damage by fire or other casualties to such an amount and in such manner as is usual in the case of companies working undertakings similar to the undertaking for the time being of the Company, in one or more insurance companies, mutual or otherwise, not objected to by the Trustee, doing business in Canada or elsewhere as the Directors may select, and will duly pay all premiums and other sums payable for that purpose, and will produce to the Trustee for inspection when and if required, every such policy of insurance, and the receipt for the last premium payable thereunder. The insurance moneys in respect of properties comprised in the specifically mortgaged premises shall be made payable to the Trustee as its interest may appear. The Trustee shall accept as conclusive evidence of the nature and amount of the insurance to be carried, a resolution of the Directors, together with a certificate signed by the President or a Vice-President of the Company and by its local manager or other officer in immediate charge of the property.

All insurance moneys received by the Trustee shall be applied by it in the manner provided in Article XIV hereof; provided, however, that in the event of any one loss, in which the moneys received by the Trustee do not exceed fifteen thousand dollars (\$15,000), such moneys shall, unless the security hereunder shall have become enforceable, forthwith be paid by the Trustee to the Company and shall be applied by the Company to the replacing, repairing or rebuilding of the property damaged or destroyed or otherwise for the benefit of the specifically mortgaged premises.

The Company will also cause the Pledged Subsidiary Companies to keep their properties which are of an insurable nature and of a character usually insured by companies similarly situated adequately insured.

Anything herein to the contrary notwithstanding, the Company, with the approval of the Trustee, may, in whole or in part, in lieu of insuring or causing to be insured, such property, maintain a system of self-insurance for itself and its Pledged Subsidiary Companies, and/or may cause each Pledged Subsidiary Company to maintain a system of self-insurance, which will accord with approved practices of similar companies maintaining such systems. The Company at any time and from time to time, at the request of the Trustee, will furnish to the Trustee full details and information in writing of any system of self-insurance which is then in effect or the adoption of which is then contemplated by it or by any Pledged Subsidiary Company.

In case of loss or damage to the mortgaged premises, any appraisal, adjustment or settlement agreed upon between the Company and any insurer or insurance company, may be accepted by the Trustee, who shall be entitled to assume (whether or not it shall have any opinion or shall have made any investigation in respect thereof), that such appraisal, adjustment or settlement is fair and proper, and the Trustee shall be under no obligation to make any investigation in respect thereof, and shall be in no way under any duty to collect any insurance moneys.

- o. That until the trusts hereof shall have been finally wound up and terminated, it will pay the Trustee reasonable remuneration for its services hereunder, and that it will repay to the Trustee on demand all moneys which shall have been expended or advanced by it for the purpose of paying premiums of insurance, rentals, repairs, renewals, taxes, maintenance, preservation, legal expenses or charges, and any other expenditures or advances whatever, which the Trustee may reasonably make or incur in and about the execution of the trust hereby created, with interest at six per centum (6%) per annum from the date of expenditure until actual repayment, and the Trustee's remuneration and moneys so expended or advanced and the interest thereon shall be secured hereby and the Trustee shall have a lien therefore upon the mortgaged premises and the proceeds thereof in priority to any of the Bonds or coupons secured hereunder, and the Trustee shall have the right at any time to retain and pay itself the amount of any such remuneration or advances out of any funds coming into the possession of the Trustee or its successors in the trust hereunder.
- p. That the Company and the Pledged Subsidiary Companies will from time to time punctually observe and perform all of their obligations, and will pay and discharge all amounts payable under or by virtue of any lease, license, concession, franchise or right held by them so long as the same is of commercial value, and will not suffer or permit any default for which any such lease, license, concession, franchise or right might be terminated, so that the interest therein of the Company or of the Pledged Subsidiary Company concerned, may at all times be preserved unimpaired as security for the Bonds; provided, however, that nothing contained in this Clause

10.01 shall require the Company or the Pledged Subsidiary Company concerned, to make any such payments or to observe any such obligations, so long as it shall in good faith contest its liability therefor, provided in such case that if any part of the specifically mortgaged premises be involved the Company shall satisfy the Trustee and, if required by the Trustee so to do, furnish security satisfactory to the Trustee that any such contestation will involve no forfeiture of any such lease, license, concession, franchise or right.

- q. That it will, whether required by the Trustee or not, at any and all times do, execute, acknowledge and deliver, or will cause to be done, executed, acknowledged and delivered all such deeds, documents and things which, in the opinion of the legal advisers of the Trustee, are necessary for giving the Trustee (as far as may be possible under the local laws of the places where any of the mortgaged premises are situate respectively) a valid, specific first mortgage, pledge and charge upon any property included in the specifically mortgaged premises and a valid, first floating charge of the nature hereinbefore specified upon any property, whether now owned or hereafter acquired of the nature or character of the property of the Company not included in the specifically mortgaged premises for all principal moneys and interest for the time being and from time to time owing on the security of these presents and the Bonds and for conferring upon the Trustee such powers of sale and other powers over the said property as are hereby expressed to be conferred.
- 10.02 If the Company shall fail to perform any of its covenants contained in this Trust Deed or in any lease, record, license, concession, franchise or right subject to the lien hereof, the Trustee may notify the bondholders of such failure on the part of the Company or it may itself perform any of said covenants capable of being performed by it or make advances to or on behalf of the Company for or in performance of the same, but shall be under no obligations so to do or to notify the bondholders; and all sums so expended or advanced shall be repayable and be secured as provided in sub-clause (o) of Clause 10.01 hereof; but no such performance or advance shall be deemed to relieve the Company from any default hereunder.

ARTICLE XI SINKING FUND

- 11.01 1. The Company covenants and agrees that it will create and maintain a sinking fund for the benefit of the bonds hereby secured by paying to the Trustee on the 1st day of May 1956 and on the 1st day of May annually thereafter until maturity a sum of money equal to one per centum (1%) of the aggregate principal amount of Bonds previously issued **prior to June 10, 1988 and, with respect to any Bonds issued after June 10, 1988, such percentage, if any, as may be determined from time to time by the Directors and expressed in the Bonds of each such series** (excluding refunding or exchanges). [As amended by Clause 12(d) of the Eleventh Supplementary Deed of Trust and Mortgage, dated as of June 15, 1988.]

2. Instead of making sinking fund payments in money, the Company may deliver to the Trustee, in satisfaction in whole or in part of any sinking fund payment due on any sinking fund payment date, any bonds which have been previously issued hereunder and previously sold by the Company, and the Company shall receive credit for the bonds so delivered equal to the amount thereof at par exclusive of interest.
3. The Company may at any time pay or deliver cash or Bonds to the Trustee for the sinking fund in excess of the amount becoming due or in advance of the time when the same shall become due as above provided, and the Company shall to the extent of any such payment or delivery, be entitled to credit on amounts subsequently becoming due to the Trustee for sinking fund purposes as aforesaid.
4. If the Company does not so deliver bonds as aforesaid in full payment of the amounts payable in respect of the sinking fund, as and when the same are due and payable, then the moneys paid to the Trustee by the Company for the purpose of the sinking fund shall be employed by the Trustee in the following manner. The Trustee shall draw by lot for redemption (in the manner provided in sub-clause (1) of the Clause 12.01 hereof for partial redemption of bonds of any series) the bonds of any one or more series which the Company will designate if there be more than one series outstanding. The Trustee need not call any Bonds for redemption under this Clause 11.01 unless the amount in the Sinking Fund is greater than fifteen thousand dollars (\$15,000) unless the Company shall so request. Bonds shall be drawn in an aggregate principal amount, which shall equal, as nearly as may be, the amount of bonds which can, out of the Sinking Fund moneys available therefor, be redeemed at the particular redemption price applicable in such case. After such drawing has been completed, the Trustee shall cause notice of redemption of the bonds so selected to be given by publication and mailing in substantially the same manner and with like effect as provided in Clause 12.01 hereof. All provisions of said Clause 12.01 shall apply, so far as practicable in the judgment of the Trustee, to the redemption of bonds under this Clause 11.01. **Notwithstanding anything to the contrary contained herein, the Company shall satisfy any sinking fund requirements in respect of any series of Bonds issued after June 10, 1988 by the purchase or redemption of Bonds of such series.** [As amended by Clause 12(e) of the Eleventh Supplementary Deed of Trust and Mortgage, dated as of June 15, 1988.]
5. All bonds of any series received by the Trustee in lieu of sinking fund payments or redeemed by operation of such sinking fund shall be cancelled, and no other bonds of any series shall be issued in their place.
6. Until applied in the purchase or redemption of bonds, all money in the sinking fund and interest thereon shall be held by the Trustee as security for all the bonds, and may be invested by the Trustee as provided in Clause 17.01 hereof.
7. If any question shall arise as to compliance with the provisions of this Clause 11.01, the decision of the Trustee shall be final.

ARTICLE XII REDEMPTION OF BONDS

12.01 The following provisions shall, unless otherwise determined upon creation of Bonds of any series, apply to the redemption of any Bonds which, in accordance with the terms of this Trust Deed, are made redeemable at the option of the Company. The terms applicable to the redemption of the Bonds of the 4% Series due 1975 are stated in Clause 3.01.

1. In case less than all of the then outstanding Bonds of any particular Series are to be redeemed, the Bonds so to be redeemed shall be selected by the Trustee by lot and by the serial numbers thereof in such manner as the Trustee shall deem equitable and not by the names of the holders thereof, if known. The Trustee and the Company shall agree on such method of drawing as will provide that the holders of registered Debenture Stock and fully registered bonds without coupons will benefit hereunder to the same extent as if they had been holders of coupon bonds.
2. Notice of intention so to redeem Bonds of any Series shall be given by the Company in the manner provided in Clause 9 of the Conditions to be endorsed on Coupon Bonds as set out in form "Y" in the First Schedule hereof, which notice shall (unless all the then outstanding Bonds of the same maturity of a Series are to be redeemed), state the numbers of the Bonds so called for redemption, and if less than the whole principal amount of any registered Bonds without coupons shall be redeemable, the portion of the principal amount thereof which is to be redeemed, and shall state that all interest on such Bonds will cease from and after the redemption date fixed in such notice. Provided, however, that failure on the part of the Company to post any such letter or circular shall not invalidate or otherwise prejudicially affect the redemption of such Bonds. Notice or redemption of registered Debenture Stock shall be given to holders of registered Debenture Stock in accordance with the foregoing provisions unless otherwise provided by the supplemental deed referred to in Clause 2.02 hereof.
3. Notice having been given as provided in Sub-clause (2) hereof, all of the Bonds called for redemption shall thereupon be and become due and payable on such redemption date in the same manner and with the same effect as if it were the date of maturity of such Bonds, anything therein or herein to the contrary notwithstanding. The holders of Bonds called for redemption shall have the right to surrender their Bonds for payment at any of the places at which the principal and interest of such Bonds are payable according to their tenor and effect, and to receive payment of the amount payable on such redemption in the moneys in which the principal and interest are payable at such place.
4. Such redemption shall be provided for by the Company depositing with the Trustee, or otherwise to the satisfaction of the Trustee making available on or before the redemption date fixed in such notice, such sum as may be

sufficient to pay the principal and premium (if any), together with the then accrued interest on the Bonds called for redemption at the places at and in the currencies in which the same shall be payable. The Trustee shall hold the sum so deposited in trust for the benefit of the holders of the Bonds called for redemption.

5. Upon deposit with the Trustee of an amount sufficient to redeem any Bonds called or to be called for redemption pursuant to the provisions of this Article XII, and with respect to which notice of redemption has been given, or arrangements satisfactory to the Trustee providing for the giving of such notice have been made, the Bonds so called or to be called for redemption and any coupons appertaining thereto shall thereafter not be considered as outstanding hereunder, or entitled to the security hereby constituted, and interest upon such Bonds from and after the date fixed for redemption shall cease, and the holders of such Bonds shall have no rights except the right to receive in accordance with the provisions hereof payment of the principal, premium (if any), and interest payable on such Bonds on the date fixed for redemption.

In case any bondholder, any of whose Bonds are to be paid under any provision of this Trust Deed, whether at maturity, on a declaration, on redemption or otherwise, shall fail or neglect to deliver up his Bonds and coupons at the time and place fixed for payment thereof under the provisions herein contained, the moneys payable to such bondholder shall be set aside in the name of the Trustee and deposited by the Trustee in its name in any chartered Bank of Canada, or in the deposit department of the Trustee at the rate of interest then current on similar deposits, and such setting aside and deposit shall be deemed for all purposes of these presents to be a payment to such bondholder of the amount of principal and interest payable in respect of such bonds and so set aside, and interest on such Bonds and interest coupons appertaining thereto shall cease to accrue as from the date such Bonds or interest coupons become payable as aforesaid, and thereafter the holders of any such Bonds and coupons appertaining thereto shall have not other right in respect thereof than to receive payment out of the amount so deposited.

6. In case any question shall arise as to whether any notice has been given as above provided and such deposit made, such question shall be decided by the Trustee, whose decision shall be final and binding upon all parties in interest.
7. All Bonds redeemed under the provisions of this Article XII shall forthwith be cancelled and, unless redeemed through the operation of a Sinking Fund or by the use of deposited cash, pursuant to the provisions of Article XIV hereof, other Bonds of any Series may be issued in replacement of any Bonds so redeemed, upon compliance by the Company with the provisions of Article VII hereof.
8. The Trustee in its discretion may require the Company to hand to it annually, or semi-annually, any Bonds that may have been redeemed, and all redeemed and matured coupons, for the purpose of destruction in the

presence of a representative of the Company and a representative of the Trustee, by whom a Destruction Certificate setting forth the numbers and maturities of the Bonds and coupons shall be signed in duplicate, one copy to be retained by the Trustee, and the other handed to the Company for its files.

9. In the event of any Bonds becoming due and payable by reason of the voluntary liquidation of the Company, the Bonds shall be redeemed at the price at which the Company could have redeemed the Bonds on the date on which the resolution is passed, or if by order, the date on which the order is granted for the voluntary winding up of the Company.

ARTICLE XIII RELEASE OF PROPERTY

13.01 From time to time, while the Company is in possession of the specifically mortgaged premises, the Company without any release by the Trustee may:

- a. sell or otherwise dispose of, free from the lien of this Deed, any machinery, equipment, tools or implements, which may become obsolete or unfit for use or no longer necessary in the operations of the Company, but in the event of any such disposition, the proceeds thereof shall be invested in other machinery, equipment, tools or implements or in Property Additions; and
- b. make any change in the situation of any building or structure upon any part of the specifically mortgaged premises; and may demolish the whole or any part of any building or any structure on any part of the mortgaged premises whenever the Company shall not deem it advisable to retain the same in its business; and
- c. surrender, abandon or assent to the modification of any contract, franchise, license, governmental consent or permit which may be part of the specifically mortgaged premises and under which it may be operating, provided that such surrender or modification is, in the opinion of the Directors, and in the opinion of an engineer satisfactory to the Trustee, who may be the Chief Engineer or any assistant engineer of the Company (such opinions to be stated in a resolution and engineer's certificate, respectively, to be filed with the Trustee), desirable in the conduct of the business of the Company, and provided that, in the event of any such surrender, abandonment or modification, the Company shall still have, under some other contract, franchise, license, governmental consent or permit or under the modified contract, franchise, license, governmental consent or permit, or under a new contract, franchise, license, governmental consent or permit, authority, in the opinion of counsel, to conduct the same or an extended business in the same or substantially the same, or an extended territory for the same or substantially the same or an extended or unlimited or indeterminate period of time, or until the maturity date of the latest maturing Series of Bonds at the time outstanding hereunder.

13.02 From time to time, while the Company is in possession of the specifically mortgaged premises, the Company may sell or exchange or otherwise dispose of any of its property, immovable, real, movable or personal at any time forming part of the specifically mortgaged premises (except that unless otherwise provided in this Indenture, no shares of stock of any company shall be released, unless all shares of stock and all bonds and other obligations of such company at the time subject to the lien of this Indenture as part of the specifically mortgaged premises, shall be released as one parcel and at the same time), and shall be entitled to the release from the lien of this Deed of any such property upon substituting therefor either (1) cash, or, (2) Property Additions or Pledged Subsidiary Property Additions upon the basis of which Additional Bonds might be certified and delivered under Article V hereof, or (3) purchase money mortgages on property released in amount not exceeding sixty-six and two-thirds per cent ($66\frac{2}{3}\%$) of the cost or the then fair value (whichever is less), of the property released or (4) any two or more of the foregoing; the whole to the extent of the greater of the cost or the then fair value of the property released.

The Trustee, upon compliance by the Company with the further provisions of this Article XIII, shall execute such instruments as shall be necessary to obtain the discharge or release of any such property from the lien hereof; provided that the provisions of this Clause 13.02 shall not be construed to authorize the release of the mortgaged premises as an entirety or substantially as an entirety.

13.03 The Company, whenever requesting any release under the terms of this Article XIII, shall deliver to the Trustee, except as herein otherwise provided.

- i. a copy of a resolution of its Directors certified by its Secretary or Assistant Secretary under its corporate seal, authorizing such release and specifying the property requested to be released;
- ii. a certificate signed and verified by affidavit or statutory declaration of its President or a Vice-President and by its Treasurer or Assistant Treasurer, or Secretary or Assistant Secretary, under its corporate seal, which shall set forth, in so far as pertinent to the action requested;
 - a. that the Company has contracted to sell certain of the specifically mortgaged premises for cash, or partly for cash and partly for other property, or that the Company has contracted to exchange the property to be released for other property, or that the Company proposes to substitute for the property to be released, cash or other property; describing in reasonable detail, the property to be released and the consideration to be received by the Company for the property sold or exchanged, or the consideration to be given by the Company for the property to be released on substitution, which consideration to be received or to be given as aforesaid, shall be one of more of the kinds enumerated in Clause 13.02 hereof; and
 - b. that the consideration to be received by the Company for property sold or exchanged represents the fair value of the property to be released; and, in the case of substitutions that the cash or property to be substituted represents the fair value of the property to be

released, and that the property to be received on any such sale or exchange or the property to be substituted is necessary to or advantageous in the business of the Company; that the property to be sold or exchanged or released upon substitution is no longer of use in the proper conduct of the business of the Company, or that it is desirable for the Company so to sell or exchange or make substitution of the same, and that by such sale or exchange or substitution and release, the security afforded by this Deed will not be impaired;

- iii. if the consideration to be received by the Company for property sold or exchanged includes Property Additions or Pledged Subsidiary Property Additions, such certificates (except a Net Earnings Certificate), opinions and instruments with respect thereto as would be required if such Property Additions or Pledged Subsidiary Property Additions were offered as the basis of the issue of Additional Bonds under the provisions of Article V of this Deed;
- iv. a written appraisal of an appraiser selected by the Company and approved by the Trustee (who may be an engineer, accountant, or other expert in the employ of the Company), appraising the property so requested by the Company to be released as of a date not more than six months prior to the date of the delivery of such certificate to the Trustee, and, in the case of an exchange or substitution as aforesaid, also similarly appraising the Property Additions or Pledged Subsidiary Property Additions so to be received in exchange or so to be substituted, and stating that in the opinion of such appraiser, the said price or, as the case may be, the said Property Additions or Pledged Subsidiary Property Additions to be received in exchange, together with any money to be received by the Company in connection therewith, or the cash or property so to be substituted, is at least equal to the fair value of such property so to be released. The acceptance of any such appraisal by the Trustee shall be sufficient evidence of its approval of such appraiser;
- v. if the price to be received by the Company for such property so to be released consists partly of purchase money obligations, the same shall be secured by purchase money mortgage or other lien, and the Company shall delivery to the Trustee an Opinion of Counsel to the effect that such obligations are valid and binding obligations, and that the purchase money mortgage or other lien securing the same is sufficient to afford a first lien upon the property to be released, and that property instruments of assignment or transfer of such obligations and of the purchase money mortgage or other lien securing them have been duly executed and delivered by the Company to the Trustee, and that such instruments of assignment or transfer are sufficient to subject such obligations and the purchase money mortgage or vendor's lien securing them to the lien of this Deed as part of the specifically mortgaged premises.

Upon receipt of the resolutions, certificates, opinions and other instruments in this Clause 13.03 provided for, the Trustee shall release such property from the lien hereof, provided that all first mortgage bonds of Pledged

Subsidiary Companies, and any money required to be pledged or deposited by the Company in connection with any such release, shall be contemporaneously delivered to the Trustee.

The resolutions, certificates, opinions and other instruments provided for in this Clause 13.03 may be received by the Trustee as conclusive evidence of all the facts mentioned in this Article XIII required to be established in order to authorize the action sought by the Company in respect of any property to be released, and shall be full protection to the Trustee for any action taken on the faith thereof; but in its discretion, before delivering any such release, the Trustee may, but need not, at the cost and expense of the Company, cause to be made such independent investigation of all or any of the facts involved in the proposed transaction as it shall deem necessary.

- 13.04 In the event of any taking of any part of the specifically mortgaged premises including, but without in any way limiting the generality of the foregoing, all the property of the Company in the Province of New Brunswick, by expropriation or condemnation or other similar powers, or of any sale or conveyance by the Company in lieu of such taking and in reasonable anticipation thereof where proceedings therefor might lawfully be exercised to vest such property in the grantee for the same purposes, or if the Dominion of Canada, or any province or municipality thereof, or other public authority, shall at any time exercise any right which it may have to acquire any part of the specifically mortgaged premises, the Trustee may release the property so taken or acquired upon the deposit with the Trustee of a sum equal to (a) the net proceeds of any such taking or exercise of such right of acquisition, or (b) in a case of sale in anticipation of such taking, the net proceeds of such sale or the fair value of the property to be released as appraised by an appraiser (who may be an engineer or other person in the employ of the Company), appointed by the Board of Directors of the Company and approved by the Trustee, whichever is greater. The Trustee shall hold such sum upon the same terms and conditions as provided in respect of moneys received by the Trustee upon releases of the specifically mortgaged premises; provided however, that in case of any taking by expropriation, condemnation, or compulsory purchase or of any sale or conveyance in reasonable anticipation thereof of the whole or substantially the whole of the Company's undertaking covered hereby, the proceeds thereof shall be applied by the Trustee in the manner provided in Clause 16.13 hereof, regarding the distribution of the proceeds of realization of the mortgaged premises after default. The Trustee shall be fully protected in giving such release upon being furnished with an opinion of counsel, selected by the Company and approved by the Trustee to the effect that such property has been lawfully taken or sold as aforesaid, and, in case of any such sale other than to the Dominion of Canada, or any province or municipality thereof, or other authority pursuant to any such right, upon being also furnished with a resolution of the Board of Directors of the Company certifying that, in the opinion of such Board of Directors, such sale was in lieu of and in reasonable anticipation of such taking and was for the best interests of the Company. **In addition, the Trustee shall release any part of the specifically mortgaged premises used in connection with the generation or transmission of electricity from the lien of this Deed in order to give effect to a contractual right to acquire such property granted by the Company at the time of its acquisition or construction thereof upon**

the deposit with the Trustee of a sum equal to the net proceeds paid by the person exercising the right to acquire such property, provided that such proceeds shall not be less than the lesser of (a) the fair value of the property to be released as appraised in the manner set forth above, and (b) the net book value of the property to be released as determined by an auditor appointed by the Company and approved by the Trustee (and who may be the Company's auditor). [As amended by Clause 12(f) of the Eleventh Supplementary Deed of Trust and Mortgage, dated as of June 15, 1988.]

- 13.05 1. Notwithstanding any limitations set forth in this Article XIII, the Trustee may, at any time, and from time to time, while the Company is in possession of the specifically mortgaged premises, upon the application and at the cost of the Company (but only in so far as in its opinion the interests of the bondholders will not be prejudiced thereby), release any part of the specifically mortgaged premises, other than the Pledged Securities, and other than property comprising a part of or used in connection with any of the Company's present or future power sites, power developments, generating plants, transmission lines or distribution systems, without any specific consideration and on terms which may seem expedient, provided, however, that no such release of property in any one transaction shall exceed a capital value of Ten Thousand Dollars (\$10,000.00) or Fifty Thousand Dollars (\$50,000.00) in the aggregate, if there are several such transactions in any one calendar year, and provided that, with the application for release, the Company furnish the Trustee a certificate signed by a majority of the Directors of the Company, stating in detail the consideration for and the object of the application for such release, and further certifying that in their opinion the general consideration to be received by the Company as the result of such release is for the benefit of the specifically mortgaged premises of at least an equivalent value to the property so to be released, and in such certificate shall be stated the Directors' reasons for that opinion.
2. In no event shall any purchaser of any property sold or disposed of under any provisions of this Article XIII be required to ascertain the authority of the Trustee to execute the release, to see to the application of the purchase money, or to enquire as to any facts required by the provisions hereof for the exercise of such authority.
3. In case the specifically mortgaged premises or any part thereof shall be in the possession of a receiver or other similar officer lawfully appointed, the powers in and by this Article XIII conferred upon the Company may be exercised by such receiver, or other similar officer with the approval of the Trustee in respect of the property in the possession of such receiver or other similar officer, and if the Trustee shall be in possession of the specifically mortgaged premises under any provision of this Deed, then all the powers of this Article XIII conferred upon the Company may be exercised by the Trustee in its discretion.
- 13.06 Notwithstanding anything contained in this Trust Deed, for the purposes of the foregoing provisions of this Article Thirteen, any and all of the property of the

Company in the Province of New Brunswick shall be deemed not to be the whole or substantially the whole of the Company's undertaking covered hereby.

13.07 In addition to and notwithstanding any other provisions herein contained, at any time and from time to time before the security hereby constituted shall have become enforceable and the Trustee shall have determined or become bound to enforce the same, the Trustee may upon the application and at the cost of the Company but without any consent of the bondholders (but only if and so far as in the opinion of the Trustee the interests of the bondholders shall not be prejudiced thereby) do or concur in doing all or any of the things following, namely:

- a. Let any of the specifically mortgaged premises for any term and either in possession or reversion or on any conditions and either with or without the payment of a premium;
- b. Release, either with or without consideration, any part of but not substantially the whole of the specifically mortgaged premises which, in the opinion of the Directors as evidenced by a certified copy of a resolution of the Directors, are unprofitable or a source of loss or damage or have become unfit or unnecessary or are no longer required for use in connection with the business or operations of the Company;
- c. Settle, adjust, refer to arbitration, compromise and arrange all accounts, reckonings, controversies, questions, claims and demands whatsoever in relation to any of the specifically mortgaged premises;
- d. Set out, appropriate, dedicate and grant any freehold parcels of land forming part of the specifically mortgaged premises for the purposes of road, ways, railroads, canals, water courses, docks, sites for churches, hospitals, schools, townsites and other purposes, public or private, which may seem expedient;
- e. Release any freehold parcels of land forming part of the specifically mortgaged premises upon which the Company or any Pledged Subsidiary Company may desire to erect or to procure other persons to erect buildings or dwellings for occupation by employees of the Company or any Pledged Subsidiary Company.

The foregoing powers shall be deemed to be several and not dependent on each other, and each paragraph of the foregoing and each power therein contained shall, accordingly, be construed as complete in itself and not by reference to any other paragraph or power contained therein, and the exercise of any one or more of such powers or any combination of such powers from time to time shall not be deemed to exhaust the rights of the Company and/or any Pledged Subsidiary Company and the Trustee, respectively to exercise such power or powers or combination of powers thereafter from time to time.

Nothing contained in this Clause shall be deemed to limit or restrict in any manner the rights of the Company and/or any Pledged Subsidiary Company under any other provisions of this Trust Deed.

ARTICLE XIV
APPLICATION OF MONEYS RECEIVED BY THE TRUSTEE

- 14.01 All moneys received by the Trustee pursuant to any of the provisions of this Deed or in any manner in its capacity as Trustee hereunder, the disposition of which is not otherwise herein specifically provided for, shall be held by the Trustee as part of the specifically mortgaged premises and as security for the Bonds secured hereby, and may from time to time, at the option of the Company,
- a. Be paid over by the Trustee to the Company upon the basis of the acquisition or construction of Property Additions or Pledged Subsidiary Property Additions, the whole on the terms and conditions upon which Additional Bonds may be certified and delivered as set forth in Article V hereof, and subject to the applicable restrictions of the said Article V, except that the restriction as to Net Earnings of the Company need not be complied with, and except also that the Company shall be entitled to be reimbursed to the extent of one hundred per cent (100%) of the cost, or the then fair value (whichever is less), of the Property Additions or Pledged Subsidiary Property Additions so acquired or constructed; or
 - b. Be applied by the Trustee, at the written request of the Company, either to the purchase of Bonds of such Series and at such prices (not exceeding the then redemption prices plus costs of purchase in the case of Bonds subject to redemption), as the Company may fix from time to time, or to the payment of such Bonds, or to the redemption thereof if the Bonds so designated by the Company shall have been or shall be called for redemption (exclusive in each case of current interest accrued at the time of such purchase, payment or redemption, and exclusive also, in the case of purchase or redemption, of the premium, if any, payable upon such purchase or redemption, the necessary sums for which purposes shall be provided by the Company); any Bonds so purchased, paid or redeemed, together with all unmatured coupons attached to such of the said Bonds as shall be coupon Bonds, shall be cancelled forthwith by the Trustee, and no Bonds shall be issued in lieu thereof; or
 - c. In the case of insurance moneys received by the Trustee under the provisions of Clause 10.01 hereof, be paid over by the Trustee to the Company, upon its written request, to reimburse the Company for expenditures made or to discharge indebtedness incurred by it for replacing, repairing or rebuilding the property injured or destroyed, or for building or constructing or purchasing or placing upon the specifically mortgaged premises any buildings, machinery, fixtures or other improvements as substitutes for the property so injured or destroyed, but only upon the receipt by the Trustee of a certificate signed by the President or a Vice-President and by the Treasurer or an Assistant Treasurer or the Secretary or an Assistant Secretary of the Company under its corporate seal, describing in reasonable detail the amount so expended or the indebtedness so incurred; provided, however, that the provisions of this paragraph (c) shall not preclude the application of insurance moneys for

any of the purposes described in paragraphs (a) and (b) of this Clause 14.01.

Pending their payment or application as hereinabove in this Clause 14.01 provided, all such moneys may be invested by the Trustee in the manner provided in Clause 17.01 hereof. The resolutions, certificates, opinions and other instruments hereinbefore in this Clause 14.01 provided for, shall be full warrant of authority and protection to the Trustee for payment or application of any moneys as requested therein.

- 14.02 The Trustee shall not apply any moneys received by it pursuant to any of the provisions of this Deed, for any of the purposes enumerated in Clause 14.01 hereof, at any time when the Company is in default hereunder to the knowledge of the Trustee, or when the Trustee is in possession of the mortgaged premises, or any part thereof under the right of entry herein provided, without the concurrence of the bondholders evidenced by Extraordinary Resolution or by an instrument in writing signed by the holders of more than seventy-five per cent (75%) of the total principal amount of the Bonds then outstanding. In no case shall the receipt of any such moneys by the Trustee be deemed to be a payment on account of the Bonds, not shall the mortgage, pledge and charge hereby created be lessened, novated or in any other way affected by reason of any such receipt, any law, usage or custom to the contrary notwithstanding.

ARTICLE XV EVENTS OF DEFAULT

- 15.01 The security hereby constituted shall become enforceable, subject to the terms hereinafter contained, in each and every of the events following (herein referred to as events of default);
- a. **If the Company make default in payment of any interest due on any bonds secured hereunder or any of them, or in any sinking fund payment, and either**
 - i. **any such default shall have continued for a period of sixty (60) days, or**
 - ii. **any such default shall have continued for a period of five (5) days after notice in writing to put an end to the same has been given by the Trustee or by any holder of any bonds secured hereunder; [As amended by Clause 2 of the Sixteenth Supplementary Deed of Trust and Mortgage, dated as of July 21, 1994.]**
 - b. If the Company makes default in payment of the principal of any Bond secured hereunder or of the premium thereon (if any), when the same becomes due under any provision hereof;
 - c. If an order be made or an effective resolution be passed for winding up the Company or the Company be adjudicated bankrupt or make a general

assignment for the benefit of its creditors under the Bankruptcy Act or otherwise;

- d. If a Trustee in Bankruptcy, Interim Receiver or Custodian or a Liquidator, or a Receiver, or a Receiver and Manager, be appointed to the Company, or the mortgaged premises, or an encumbrancer take possession of the mortgaged premises, or any part of said premises which is in the opinion of the Trustee a substantial part thereof;
- e. If any distress or process of execution be levied or enforced upon or against any of the chattels or property of the Company and remain unsatisfied for the space of two weeks as to personal property, or three weeks as to real property; provided that such distress or process is not in good faith disputed by the Company, and provided further, that non-payment shall not, in the judgment of the Trustee, jeopardize the title to the mortgaged premises, or the lien of this Indenture or in any way impair the security intended to be created hereby, and provided further, that if the Company shall desire to contest any claim under this provision, it shall also give such security as in the absolute discretion of the Trustee shall be deemed sufficient to pay in full the amount claimed in the event it shall be held to be a valid claim;
- f. If the Company shall fail to pay any taxes, rates, charges, rents payable on leasehold property, government dues or other charges of a like nature, whether governmental or otherwise, assessed or payable in respect of any part of the mortgaged premises, or if it fails to observe and perform any of the provisions and covenants in any lease, record, license, concession or agreement whereby any of the properties or rights of the Company, which are of commercial value to the Company, may become liable to forfeiture, and such default shall continue either for a period of ninety (90) days, or for such period as would at any time, if continued, render any such properties or rights liable to forfeiture, whichever is the lesser period, or if the legality of any such taxes, rates, rents or charges is in good faith disputed by the Company, then in case such failure shall continue for a period of thirty (30) days after they shall have been finally adjudged to be legally due or payable;
- g. If the Company shall neglect to carry out or observe any covenant or condition herein contained and on its part to be observed and performed, other than one the breach or non-observance of which is specifically made an event of default under this clause, and such default shall continue for a period of ninety (90) days after notice in writing to put an end to the same has been given to the Company by the Trustee, or by the holders of ten per centum (10%) in principal amount of the Bonds at the time outstanding.

Provided that a resolution or order for winding up the Company, with a view of its reconstruction or is consolidation, amalgamation or merger with another company or the transfer of its assets as a whole or substantially as a whole, to such other Company, shall not make the security enforceable under sub-clause (c) of this Clause 15.01, if such last mentioned company shall, as a part of such consolidation, amalgamation, merger or transfer, and within six (6) months from the passing of the resolution or the date of

the order, comply with the conditions to that end stated in Article XVIII hereof.

- 15.02 In the event of the security hereunder becoming enforceable, except by default in payment of the principal of the Bonds or any of them at maturity, and in addition to the powers exercisable by the Bondholders under Article XXIII hereof, the holders of not less than fifty-one per centum (51%) of the principal amount of all the Bonds which shall then be outstanding shall have power by an instrument in writing to instruct the Trustee to waive the default and the Trustee shall thereupon waive the default upon such terms and conditions as such holders shall prescribe, and in case of any such waiver the security hereby constituted shall no longer be deemed to have become enforceable by reason of the default that shall have so been waived, and any fixed charges as shall have attached to the mortgaged premises solely by reason of the crystallization of the floating charge hereunder shall, by such waiver, be released and discharged and thereupon the mortgaged premises shall again become and be subject only to the fixed charge and the floating charge hereunder in the same manner and to the same extent as if such default had not occurred, and the Company shall have and may exercise all rights hereby conferred on or reserved to the Company as though such default had not occurred, and the Trustee or any receiver or receiver and manager may and shall execute any deeds or deeds that in the opinion of Counsel approved by the Trustee are necessary or desirable for such purposes, but no rights to arise upon any subsequent default shall be in any way waived or affected by the waiver of a default as aforesaid and the rights and powers under this deed shall not be deemed to have been exhausted but shall subsist and may be exercised again and from time to time if and whenever further defaults occur.
- 15.03 In case the security hereby constituted shall become enforceable as hereinbefore provided, the Company shall and will pay forthwith to the Trustee on demand for the benefit of the holders of the Bonds secured hereby, the principal amount of all Bonds then outstanding and interest then due thereon, and such payment when made shall be deemed to have been made on such Bonds and coupons, and any moneys so received by the Trustee shall be applied in the same manner as if they were proceeds of a sale of the mortgaged premises made to enforce the security hereof, and the Company shall and will pay to the Trustee on demand all other moneys due and payable by it hereunder; and the Trustee may in its discretion and shall upon request of the holders of twenty-five (25) per centum in principal amount of the Bonds outstanding, make such demand, and upon such demand being made and also in the event of the security hereby constituted becoming enforceable by reason of a liquidator, receiver, receiver and manager or trustee in bankruptcy being appointed to the Company, or in the event of the mortgaged premises being sold under the provisions hereof, or in judicial proceedings for the enforcement of the security or otherwise, the principal of all Bonds outstanding hereunder shall, together with interest thereon, become immediately due and payable, anything therein or herein contained to the contrary notwithstanding.

to the Company, the security hereby constituted shall no longer be deemed to have become enforceable by reason of the default in the payment of the principal (except at maturity), of any of the Bonds secured hereunder, or overdue interest, or by any other occurrence hereunder, whereby the right of entry became vested in the Trustee, and any part of the mortgaged premises which shall have become subject to a fixed charge solely by reason of the crystallization of the floating charge shall be freed from such fixed charge, but shall thereupon again become and be subject to the floating charge created by this Deed, but no subsequent default shall be in any way waived by any such restoration to the Company, and the rights and powers under this Clause 16.01 shall not be deemed to have been exhausted, but shall subsist and may be exercised again and from time to time if and whenever further defaults occur.

- 16.02 In case the security hereby constituted shall have become enforceable as herein provided, and the Company shall have failed to pay to the Trustee on demand the principal and interest then due upon all the Bonds outstanding, together with all other sums due and payable hereunder, the Trustee may in its discretion, either after such entry as aforesaid, or after other entry by its officers or agents, or without entry, sell and dispose of, and upon the request in writing of the holders of twenty-five per centum (25%) of the total principal amount of the Bonds then outstanding (subject to the provisions of Clause 15.02 hereof), the said Trustee shall sell and dispose of all or any part or parts of the mortgaged premises, either as a whole, or in parcels, by private sale or sales, or at public auction or auctions, or by tender or tenders, and at such time or times, and on such terms and conditions as the Trustee shall determine, having first given such notice of the time and place of each such sale at public auction, or by tender as it may think proper, which notice shall in any case include advertisements published at least once a week for four consecutive weeks in at least two daily newspapers, printed in the English language, published, one in the city of Montreal and one in the city of Charlottetown, PEI, and it shall be lawful for the Trustee to make such sale or sales either for cash or upon credit upon such reasonable conditions as to upset or reserve bid or price, and as to terms of payment as it may deem proper and to receive the price or consideration for any such sale or sales in whole or in part in Bonds secured hereunder in such proportion, at such rate and for such amounts as is provided in Clause 16.06 hereof; also to rescind or vary any contract of sale that may have been entered into and resell with or under any of the powers conferred herein, and to adjourn any sale from time to time and hold the sale as adjourned without further notice, and to deliver to the purchaser or purchasers of the said property, or any part thereof, good and sufficient deed or deeds for the same, the Trustee being hereby constituted the irrevocable attorney of the Company for the purpose of making such sale or sales and executing such deeds; and any such sale made as aforesaid shall be a perpetual bar both at law and in equity against the Company and its assigns, and all other persons claiming the said property or any part or parcel thereof by, from, through or under the Company or its assigns, and the proceeds of any sale shall be distributed in the manner hereinafter provided.

The Trustee or any one or more of the Bondholders may become purchasers at any sale of the mortgaged premises, whether made under the power of sale herein contained or pursuant to foreclosure or other judicial proceedings.

- 16.03 In the exercise of the powers and duties conferred upon the Trustee by any Clause of this Article XVI, the Trustee shall be bound to observe and act in accordance with the directions and instructions of the bondholders given either by extraordinary resolution passed in the manner provided in Clause 23.01 hereof, or in writing signed by the holders of more than fifty per centum (50%) of the principal amount of the bonds then outstanding.
- 16.04 The Company binds and obliges itself to yield up possession of the mortgaged premises and the conduct of its business to the said Trustee on demand whenever the said Trustee shall have a right of entry under the foregoing provisions of this Article XVI, and agrees to put no obstacle in the way of, but to facilitate by all legal means, the actions of the Trustee hereunder, and not to interfere with the carrying out of the powers hereby granted to it, and in the event of the security becoming enforceable as hereinbefore provided, the Company shall and hereby does consent to the appointment in such case of a liquidator or receiver or receiver and manager, with all such powers as the Trustee is hereby vested with, if so required by the Trustee. The Company hereby binds itself in said event to consent to any petition or application presented to the Court by the Trustee in order to effectuate the intent of this Deed, and the Company shall not, after receiving due notice from the Trustee that it has taken possession of the mortgaged premises and the conduct of said business in virtue of these presents, continue to conduct the said business unless with the express written consent and authority of the Trustee, and shall forthwith, by and through its officers and Directors, execute such documents and transfers as may be necessary to place the Trustee in legal possession of the mortgaged premises and its business, and after receipt of such notice, all the powers and functions, rights and privileges of each and every of the Directors and Officers of the Company shall cease and determine with respect to the mortgaged premises and business unless especially continued in writing by the Trustee, or unless the mortgaged premises have been restored to the Company as hereinbefore in this Article XVI provided.
- 16.05 If the security hereby created shall become enforceable as herein provided and the Company shall have failed to pay the Trustee on demand the principal and interest due upon all the Bonds outstanding, the Trustee may in its discretion and upon the request in writing of the holders of twenty-five per centum (25%) in principal amount of the Bonds then outstanding (subject to the provisions of Clause 15.02 hereof), shall, by writing, appoint a receiver or receiver and manager of the mortgaged premises, or any part thereof, and may remove any receiver or receiver and manager so appointed, and appoint another in his stead from time to time. The following provisions shall apply upon the appointment of any such receiver or receiver and manager:
- a. Such appointment may be made at any time after this security shall have become enforceable and either before or after the Trustee shall have entered into or taken possession of the mortgaged premises or any part thereof.
 - b. Every such receiver or receiver and manager may, in the discretion of the Trustee, be vested with all or any of the powers and discretions of the Trustee.

- c. Such receiver or receiver and manager may carry on the business of the Company or any part thereof, and may exercise all the powers conferred upon the Trustee by Clause 16.01 hereof.
- d. The Trustee may from time to time fix the remuneration of every receiver or receiver and manager, and may direct the payment thereof out of the mortgaged premises or the proceeds thereof; but the appointment of any such receiver or receiver and manager shall be revoked upon the request in writing of the holders of a majority in principal amount of the Bonds.
- e. The Trustee may, from time to time, require any such receiver or receiver and manager to give security for the performance of his duties, and may fix the nature and amount thereof, but it shall not be bound to require such security.
- f. Every such receiver or receiver and manager may, with the consent in writing of the Trustee, borrow money for the purpose of carrying on the business of the Company, the maintenance of the mortgaged premises or any parts thereof and the payment of taxes, wages and other charges ranking in priority to the Bonds, and current operating expenses and operating expenses incurred not more than sixty days prior to the taking of possession of the mortgaged premises by the Trustee and for any other purposes, provided such other purposes are duly authorized in the manner set forth in Clause 16.01 hereof; and the receiver or receiver and manager may issue certificates (herein called "Receiver's Certificates") for such sums as will in the opinion of the Trustee be sufficient for obtaining upon the security of the mortgaged premises the amounts from time to time required, and such certificates may be payable either to order or to bearer and may be payable at such time or times as to the Trustee may appear expedient, and shall bear interest as shall therein be declared, and the Trustee may sell, pledge or otherwise dispose of the same in such manner as to it may seem advisable, and may pay such commission on the sale thereof as to it may appear reasonable, and the amounts from time to time payable by virtue of such Receiver's Certificates shall form a first charge upon the mortgaged premises in priority to the Bonds.
- g. Every such receiver or receiver and manager shall, so far as concerns responsibility for his acts, be deemed the agent of the Company.
- h. Save so far as otherwise directed by the Trustee, all moneys, from time to time received by such receiver shall be paid over to the Trustee to be held by it on the trusts of these presents.
- i. 16.06 Upon any sale of the mortgaged premises or of any part thereof, the purchaser in making payment therefor shall be entitled (after paying in cash so much as shall

be necessary to cover the Trustee's reasonable compensation and the costs and expenses theretofore incurred by the Trustee, and of the sale and of the proceedings incident thereto, and all taxes, assessments and other charges (if any), upon the mortgaged premises ranking in priority to the Bonds and coupons, except those subject to which such sale shall have been made), to appropriate and use toward the payment of the remainder of the purchase price any of the Bonds or coupons entitled to participate in the proceeds of such sale, reckoning each bond or coupon so appropriated and used at such sum as shall be payable thereon out of the net proceeds of the sale; and proper receipts shall thereupon be given to the holders of such Bonds or coupons for the amount so payable thereon, and the Bonds and coupons if the net proceeds of the sale shall be sufficient to pay them in full shall be delivered up for cancellation, or if the proceeds of the sale shall not be sufficient to pay such Bonds or coupons in full, then proper endorsement shall be made thereon of the amount so paid, and they shall then be returned to the holder.

- 16.07 No person dealing with the Trustee or its agent shall be concerned to inquire whether the security hereby constituted has become enforceable or whether the powers which the Trustee is purporting to exercise have become exercisable, or whether any money remains due upon the security of these presents or the Bonds, or as to the necessity or expediency of the stipulations and conditions subject to which any sale shall be made, or otherwise as to the propriety or regularity of any sale, or of any other dealing by the Trustee with the mortgaged premises, or to see to the application of any money paid to the Trustee, and, in the absence of fraud on the part of such person such dealing shall be deemed, so far as regards the safety and protection of such person, to be within the powers hereby conferred and to be valid and effectual accordingly.
- 16.08 The Company hereby irrevocably appoints the Trustee to be the attorney of the Company and in the name and on behalf of the Company to execute and do any deeds, transfers, conveyances, assignments, assurances and things which the Company ought to execute and do under the covenants herein contained, and generally to use the name of the Company in the exercise of all or any of the powers hereby conferred on the Trustee, with full powers of substitution and revocation, and in the case of any sale hereunder, whether by the Trustee or under judicial proceedings, the Company agrees that it will execute to the purchaser or purchasers on demand any instrument reasonably necessary to confirm to the purchaser or purchasers the title of the property so sold, and in case of any such sale, the Trustee is hereby irrevocably authorized to execute on behalf of the Company, and in its name, any such confirmatory instrument.
- 16.09 No remedy herein conferred upon or reserved to the Trustee for the bondholders is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing by law or by statute.

The Trustee shall have the right in its discretion to proceed in its name as Trustee hereunder in the enforcement of the security hereby constituted by any remedy authorized hereby or by law, whether by legal proceedings or otherwise, but it shall not be bound to do or take any act or action in virtue of the powers conferred on it by these presents, unless and until it shall have been required so to do by a writing

defining the action which it is required to take signed by the holders of at least twenty-five per cent (25%) of the principal amount of the then outstanding Bonds, or of such greater proportion of the then outstanding Bonds as may in any particular case be required under this Deed, or by a resolution defining such action adopted at a meeting of bondholders duly convened and held in accordance with the provisions herein contained, but the Trustee, notwithstanding the definition in such requisition of any act, action or proceedings to be taken, shall be at liberty to take such act, action or proceedings in the enforcement of the security hereby constituted as it shall in its discretion think proper, and the Trustee may before taking any such action require the bondholders, at whose instance it is so required, to deposit with the Trustee the Bonds so held by them, for which Bonds the Trustee shall issue receipts. The obligation of the Trustee to commence or continue any such act, action or proceedings shall be conditional upon the bondholders, at whose instance it is so required, furnishing when required in writing by the Trustee sufficient funds to commence or continue such act, action or proceedings and indemnity reasonably satisfactory to the Trustee to protect and hold harmless the Trustee against all costs, charges, expenses and liabilities which may be incurred, and any loss or damage which may be suffered by the Trustee by reason thereof.

All rights of action under this Trust Deed may be enforced by the Trustee without the possession of any of the Bonds or coupons hereby secured, or the production thereof on the trial or other proceedings relative thereto.

The Trustee shall have power to institute and to maintain such suits, actions and proceedings as it may deem necessary or expedient to prevent any impairment of the security hereunder by any acts of the Company, or of others, in violation of this Trust Deed or unlawful, or as the Trustee may deem necessary or expedient to preserve and to protect its interests and the security and interests of the holders of the indebtedness hereby secured, in respect of the mortgaged premises, or in respect of the income, earnings, rents, issues and profits thereof or otherwise, including power to institute and to maintain suits, actions or proceedings to restrain the enforcement of, or compliance with, or the observance of any legislative or other Governmental enactment, rule or order that may be unconstitutional or otherwise invalid, if the enforcement of, or compliance with, or observance of such enactment, rule or order would impair the security hereunder or be prejudicial to the interests of the holders of the indebtedness hereby secured or of the Trustee.

- 16.10 The Company covenants and agrees to and with the Trustee that in case of any foreclosure proceedings or other proceedings to enforce the security hereby created, judgment may be rendered against it in favour of the Bondholders hereunder or in favour of the Trustee, as trustee of an express trust for the Bondholders hereunder, for any amount which may remain due in respect of the Bonds secured hereby and the interest thereon, after the application to the payment thereof of the proceeds of any sale of the mortgaged premises.
- 16.11 The Trustee shall not, nor shall any receiver or receiver and manager appointed by it, be responsible or liable otherwise than as a trustee for any debts contracted by it or for damages to persons or property or for salaries or non-fulfillment of contracts during any period wherein the Trustee or receiver or receiver and manager shall manage the mortgaged premises upon entry as herein provided, nor shall the Trustee or the receiver or receiver and manager be liable to account

as mortgagee or mortgagees in possession or for anything except actual receipts, or be liable for any loss of realization or for any default or omission for which a mortgagee in possession might be liable, and the Trustee shall not be bound to do, observe or perform or to see to the observance or performance by the Company of any of the obligations herein imposed upon the Company, nor in any other way to supervise or interfere with the conduct of the Company's business, unless and until the security hereby created has become enforceable and the Trustee shall have been kept supplied with moneys reasonably necessary to provide for the expenses of the required action and with satisfactory indemnity as aforesaid.

- 16.12 No holder of any Bond or coupon hereby secured shall have any right to institute any suit, action or proceeding for the payment of principal or interest for the purpose of enforcing the security hereby constituted or for the execution of any trust or power hereunder, or for the appointment of a liquidator, receiver, receiver and manager or sequestrator, or trustee in bankruptcy, or to have the Company wound up, or for any other remedy hereunder, unless such holder shall previously have given to the Trustee written notice of any existing default on the part of the Company and such default shall have continued for such period of time, if any, as is necessary to render the security hereby constituted enforceable; nor unless the holders of at least twenty-five per centum (25%) in principal amount of the Bonds hereby secured and then outstanding shall have made written request to the Trustee and shall have afforded to it reasonable opportunity itself to proceed to exercise the powers hereinbefore granted or to institute an action, suit or proceeding in its own name for such purpose; nor unless also such bondholder or bondholders shall have furnished, when required in writing by the Trustee, sufficient funds to commence or continue such act, action or proceeding, and have tendered to the Trustee security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby; nor unless also the Trustee shall have failed to act within a reasonable time after such notification, request and tender of indemnity; and such notification, request, furnishing of funds, if required, and tender of indemnity are hereby declared in every such case, at the option of the Trustee to be conditions precedent to any action or cause of action for the appointment of a liquidator, receiver and manager or sequestrator, or for any other remedy hereunder by or on behalf of the holder or holders of such Bonds or coupons or any of them; it being understood and intended that no one or more holders of Bonds or coupons shall have any right in any manner whatsoever to affect, disturb or prejudice the security hereby created by his or their action, or to enforce any right hereunder except in the manner herein provided, and that all powers and trusts hereunder shall be exercised and all proceedings at law shall be instituted, had and maintained by the Trustee, except only as herein provided, and only in any event of the equal benefit of all holders of outstanding Bonds and coupons.

In case any action, suit or other proceeding shall have been brought by the Trustee or by any bondholder or bondholders after failure of the Trustee to act, the bondholders may by extraordinary resolution passed in the manner in which such a resolution purporting to exercise the powers conferred by Clause 23.01 hereof, is required to be passed, direct the Trustee, or the bondholder or bondholders bringing any such action, suit or proceeding to waive the default in respect to which any such action, suit or other proceeding shall have been brought upon payment

of the costs, charges and expenses incurred by the Trustee, or bondholder or bondholders as the case may be, in connection therewith and to stay or discontinue or otherwise deal with any such action, suite or other proceeding and such direction shall be binding upon the Trustee and such bondholder or bondholders and shall be observed by them.

16.13 Except as herein otherwise expressly provided, the moneys arising from any sale or realization of the whole or any part of the mortgaged premises received by the Trustee, whether under any sale by the Trustee or by judicial process or otherwise, shall be held by the Trustee, and be by it applied, together with any other moneys then or thereafter in the hands of the Trustee available for such purpose, in the first place to the payment or reimbursement of the costs, charges, expenses, advances and compensation of the Trustee in or about the execution of the trust hereunder or otherwise in relation to these presents, with interest thereon, as herein provided, and all taxes, assessments and other charges upon the mortgaged premises ranking in priority to the Bonds and interest due thereon, and the residue of the said moneys shall be applied:

1. In or towards payment to the holders of the Bonds *pari passu* in proportion to the amount due to them respectively, and without any preference or priority whatsoever, of all principal moneys due on such Bonds, whether such principal moneys shall or shall not be payable according to the tenor of said Bonds, and after payment of all principal moneys of all due and unpaid interest and coupons and premium, if any, with interest on all sums overdue at the same rates respectively as borne by the Bonds in respect whereof such interest or coupons may be overdue; provided that no payment shall be made upon any interest or coupon the time of payment of which has been extended whether by purchase or funding or otherwise, until the prior payment in full of all other interest and coupons; and
2. The surplus, if any, of such moneys shall be paid to the Company or its assigns.

16.14 1. The Trustee shall not be bound to apply to make any partial or interim payment of any moneys coming into its hands if the amount so received by it is insufficient to make a distribution of at least five per centum (5%) of the amount of the principal amount of the outstanding Bonds, but it may retain the money so received by it and deposit the same in some bank to its credit, at such rate of interest as is then current, or invest the same as hereinafter provided, until the money or the investments representing the same, with the income derived therefrom, together with any other moneys for the time being under its control, shall be sufficient for the said purpose or until it shall consider it advisable to apply the same in the manner above set forth.

2. Not less than twenty-one (21) days notice shall be given by the Trustee in the manner provided in Clause 2.16 hereof, of any payment to be made under this Article XVI to the Bondholders.

Such notice shall state the time and place when and where such payment is to be made, and also the liability under the present security upon which it is to be applied.

After the day so fixed, unless payment shall have been duly demanded and have been refused, the Bondholders will be entitled to interest only on the balance (if any) of the principal moneys and interest due to them respectively on the Bonds, after deduction of the respective amounts payable in respect thereof on the days so fixed.

- 16.15 The Trustee shall have the right at the time it makes any partial payment hereunder to demand of the persons claiming such payment the production of the actual Bonds or coupons under which they claim such payment be made, and on such Bonds or coupons being produced, it shall make such payment and shall cause to be endorsed thereon a memorandum of the amount so paid and the date of payment, but the Trustee may, in its discretion, dispense with the production and endorsement upon a Bond or coupon as aforesaid in any individual case upon such indemnity being given as it shall deem sufficient.

ARTICLE XVII INVESTMENT BY TRUSTEE

- 17.01 Unless otherwise provided herein, any moneys held by the Trustee as security for the Bonds secured hereby may be invested in the name of the Trustee in any of the securities now or hereafter authorized by the law of Canada or any Province thereof for the investment by trustees of trust moneys, and any such investments may from time to time be varied for others of a like nature; and pending such investment or other application thereof under any provision hereof, such moneys may be placed on deposit in the name of the Trustee in a chartered bank in Canada at the rate of interest then current on similar deposits, or with the consent of the Company may be held by the Trustee subject to the payment of interest at such rate as may be agreed upon between the Trustee and the Company or may be loaned by the Trustee on call on security approved by the Trustee, provided repayment of the principal and interest is guaranteed by the Trustee.

ARTICLE XVIII AMALGAMATION, RECONSTRUCTION AND MERGER

- 18.01 Nothing in this Deed shall prevent the reorganization or reconstruction of the Company or the consolidation, amalgamation or merger of the Company with any other company, or of any other company with the Company, or shall prevent the transfer by the Company of its undertaking and assets as a whole or substantially as a whole to another company, provided that in each case the conditions of this Article XVIII be observed, and provided also that every such successor or assign shall as part of such reorganization, reconstruction, consolidation, amalgamation, merger or transfer, and in consideration thereof, and at or before the transfer of the assets and undertaking of the Company to any such other company, enter into a covenant with the Trustee or otherwise become liable in law punctually to pay when due the principal moneys, interest and other moneys intended to be secured by these presents, and the principal and interest of the Bonds, and punctually to perform and observe all the obligations of the Company under these presents, and shall sign and execute all such other deeds and documents as the Trustee may be advised by counsel are necessary in the premises;

Provided, however, that such reorganization, reconstruction, consolidation, amalgamation, merger, sale or transfer shall be upon such terms as substantially to preserve and not to impair the lien and security of these presents or any of the rights or powers of the Trustee or of the bondholders hereunder.

The Trustee, upon obtaining the opinion of counsel selected by it and paid by the Company that such reorganization, reconstruction, consolidation, amalgamation, merger, sale or transfer, is on such terms as substantially to preserve and not to impair the lien, charge, and security created by these presents and the rights and powers of the Trustee and the bondholders hereunder, and that all the provisions of this Clause have been complied with, shall facilitate the same in all respects, and may give such consent and join in such documents and do such acts as in its discretion may be thought advisable in order that such reorganization, reconstruction, consolidation, amalgamation, merger, sale or transfer may be carried out, so long as the Company is not in default hereunder, or, in case of and during such default, if the Bondholders consent thereto by extraordinary resolution or by an instrument in writing signed by the holders of more than fifty per cent (50%) of the total principal amount of the Bonds then outstanding.

In the event that the obligations and liabilities of the Company under the Bonds and hereunder are assumed as above provided by another company, upon any such reorganization, reconstruction, consolidation, amalgamation, merger, sale or transfer made in accordance with the foregoing provisions, the Company may thereupon be released and discharged from liability under this Trust Deed, and the Trustee may execute any document or documents which it may be advised is or are necessary or advisable for effecting or evidencing such release and discharge, and the opinion of counsel as aforesaid shall be full warrant and authority to the Trustee for so doing.

- 18.02 In case any company shall be so consolidated, amalgamated or merged with the Company as aforesaid, or in case the Company shall be so reorganized, reconstructed, consolidated, amalgamated or merged with any other company, or in case of such transfer of the undertaking and assets of the Company as a whole or substantially as a whole, the company formed by such consolidation or with which the Company shall have been amalgamated or to which such transfer shall have been made, upon executing and causing to be registered a deed with the Trustee whereby such company shall assume the due and punctual payment of all the Bonds and the observance and performance of all the covenants and conditions hereof, and shall enter into the covenants specified in Clause 18.01 hereof, shall succeed to and be substituted for the Company with the same effect as if it had been named herein as the Party of the First Part hereto, and shall possess and may exercise each and every right of the Company hereunder and such company may thereupon cause to be executed and may issue, either in its own name or in the name of the Company, any or all of the Bonds which shall now heretofore have been executed by the Company and delivered to the Trustee, and the Trustee, upon order of such successor company in lieu of the Company, and subject to all the terms, conditions and restrictions herein prescribed, shall certify any and all Bonds which shall have been previously executed by the officers of the Company and delivered to the Trustee for certification, and any of such Bonds which such successor company shall thereafter cause to be executed and

delivered to the Trustee for that purpose. All Bonds so issued shall in all respects have the same legal rank and security as the Bonds theretofore or thereafter issued in accordance with the terms hereof as though all of said Bonds had actually been issued by the Company as of the date of the execution hereof. Every such successor company shall have like powers of consolidation, amalgamation and sale on like conditions.

ARTICLE XIX IMMUNITY OF OFFICERS, STOCKHOLDERS AND DIRECTORS

- 19.01 No recourse under or upon any obligation, covenant or agreement contained in this Deed, or in any Bond or coupon hereby secured, or under any judgment obtained against the Company, or by the enforcement of any assessment, or by any legal or equitable proceeding by virtue of any constitution or statute or otherwise, or under any circumstances, under or independently of this Deed, shall be had against any shareholder, officer or director of the Company, or of any successor corporation, either directly or through the Company or otherwise, for the payment for or to the Company, or any receiver, liquidator, trustee or receiver and manager thereof, or for or to the holder of any Bond or coupon issued or secured hereunder or otherwise, of any sum that may be due and unpaid by the Company upon any such Bond or coupon, and any and all personal liability of every name and nature, whether at common law or in equity, or by statute or by constitution or otherwise of any such shareholder, officer or director on account of the Bonds and coupons and indebtedness represented thereby, by reason of any insufficiency or insufficiencies in the payment of any stock of the Company, is hereby expressly waived and released as a condition of and as part of the consideration for the execution of this Deed and the issue of such Bonds and coupons. Nothing herein or in the Bonds contained shall be taken, however, to prevent recourse to and the enforcement of the liability of any shareholder of the Company for uncalled capital, or the liability of any such shareholder upon unsatisfied calls.

ARTICLE XX APPOINTMENT OF A NEW TRUSTEE

- 20.01 The Trustee and any trustee appointed hereunder may at any time resign office by giving three months notice in writing to that effect to the Company or by giving such shorter notice as the Company may be willing to accept and (subject to the provisions of Clause 23.01 hereof) the Company may at any time appoint in writing a new trustee or new trustees hereof in the place of any trustee so resigning, becoming bankrupt or going into liquidation or otherwise becoming unfit to act or desiring to be discharged from the trusts hereof; and in the event of the Board of Directors failing so to do after being thereunto requested by any Bondholder or if such vacancy occur after default, such appointment shall be made by the holders of a majority in principal amount of the outstanding Bonds present at a meeting called for that purpose or by an instrument or instruments in writing signed by the holders of a majority in principal amount of the outstanding Bonds. Any such new Trustee shall be vested with and have all the property, rights, powers and authority granted to the Trustee hereunder and be subject in all respects to the terms, conditions and provisions hereof.

Any company into which the Trustee may be merged or with which it may be consolidated, or any company resulting from any merger or consolidation to which the Trustee shall be a party shall be a successor Trustee under this Deed without any further act.

ARTICLE XXI NON-PRODUCTION OF BONDS

- 21.01 In the event of a holder not producing any Bond or Coupon upon the same becoming payable, whether at maturity, on a declaration, at redemption or otherwise, a certificate of the Trustee hereunder of the deposit with it for payment of the amount of such Bond or of such coupon shall avail as a cancellation of such Bond and coupon for the purposes hereof, and as a sufficient authorization to the Company to cancel the entries relating to such Bond and coupon and to the Trustee to discharge pro tanto the security hereby created.

ARTICLE XXII DEFEASANCE

- 22.01 Upon proof being given to the reasonable satisfaction of the Trustee that all the Bonds and coupons have been paid off and satisfied or otherwise duly and effectually provided for as aforesaid or that payment at maturity or on the date, if any, fixed for redemption of the principal of all the Bonds and premium, if any, thereon and of all accrued interest and all and any other sums payable hereunder has been duly provided for by deposit of sufficient moneys therefor with the Trustee or otherwise to the satisfaction of the Trustee and upon payment of all costs, charges and expenses properly incurred by the Trustee in relation to these presents, and of the remuneration of the Trustee, and all interest thereon, the Trustee shall, at the request of the Company and at its cost and expense at any time not earlier than six months before maturity or any date fixed for redemption as aforesaid, release and reconvey to the Company the mortgaged premises freed and discharged from the trusts and provisions herein contained.

ARTICLE XXIII BONDHOLDERS' MEETINGS

- 23.01 Meetings of the Bondholders shall be convened, held and conducted in the manner following:
1. The Trustee may at any time, and shall from time to time on being served with notice signed by the Company or by Bondholders representing at least twenty per cent (20%) of the principal amount of the Bonds outstanding, convene a meeting of the Bondholders. In the event of the Trustee failing to call and hold a meeting after being thereunto required by the Company or by the Bondholders as above set forth, the Company or the requisite number of Bondholders may themselves call and hold such meeting. Bonds held by the Company or any subsidiary company shall not be deemed to be outstanding Bonds for any purpose of this Clause, provided,

however, that Bonds pledged or charged by the Company as security for loans or other indebtedness shall for all such purposes be deemed to be outstanding Bonds and the pledgees thereof or holders of any lien or charge thereon shall be entitled to sign any notice, attend all meetings of Bondholders and vote thereat in respect of the Bonds so pledged or charged by the Company unless objection is taken to such vote and the Chairman is satisfied that such pledgees holders are not entitled under the terms of the pledge or charge freely to exercise in their discretion uncontrolled by the Company the right to vote such Bonds. Every such meeting shall be held at the City of Montreal or at such other place as the trustee may determine.

2. At least twenty days previous notice of such meeting shall be given to the Bondholders and to the Company, and such notice shall state the time when and the place where said meeting is to be held, and shall indicate the general nature of the business to be transacted thereat, and in general terms, the subject matter of any extraordinary resolution to be submitted thereat. The notice shall be given in the manner provided in Clause 2.16 hereof.
3. Subject to the provisions of Sub-clause (12) of this Clause 23.01 at any meeting of the Bondholders a quorum shall consist of Bondholders present in person or by proxy and representing twenty-five per centum (25%) of the principal amount of the Bonds outstanding.
4. Some person who need not be a Bondholder or proxy shall be nominated by the Trustee to be chairman of the meeting and if no person is so nominated, or if the person so nominated is not present within fifteen minutes from the time fixed for the holding of the meeting, the Bondholders present or represented shall choose one of their number to be chairman.
5. Subject to the provisions of Sub-clause (12) of this Clause 23.01, if a quorum of the Bondholders as above defined shall not be present within half an hour from the time fixed for holding any meeting, the meeting, if called upon the requisition of Bondholders, shall be dissolved, but if called by the Trustee, either on its behalf or on the requisition of the Company, may be adjourned by the Trustee from time to time, not longer than sixty days in all, until a quorum be in attendance. Notice of any date to which such meeting is adjourned shall be given in the manner provided in Clause 2.16 hereof. If the meeting has been duly convened and a quorum of the Bondholders are present or represented, the Chairman may, with the consent of the meeting (and shall if so directed by the meeting) adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When a meeting is adjourned for ten days or more, notice of the adjourned meeting shall be given in the manner provided in Clause 2.16 hereof. Save as aforesaid it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

6. Every question submitted to a meeting shall be decided in the first place by a majority of the votes given on a show of hands and, in the case of an equality of votes, the chairman shall, both on the show of hands and at the poll, have a vote in addition to the vote or votes, if any, to which he may be entitled as a Bondholder.
7. Whenever demanded by a Bondholder or Bondholders representing at least Five Thousand Dollars (\$5,000.00) aggregate principal amount of the Bonds and whenever demanded by the chairman, a poll shall be taken on any question submitted to a meeting. If a poll is demanded as aforesaid it shall be taken in such manner and either at once or after an interval or adjournment as the chairman with the consent of the meeting directs, and the result of such poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
8. At any meeting of the Bondholders, each Bondholder shall, on a poll, be entitled to one vote for every One Hundred Dollars (\$100.00) (or its equivalent in other moneys) principal amount of Bonds of which he shall be the holder. Votes may be given in person or by proxy and a proxy need not be a bondholder.
9. For the purpose of enabling the holders of unregistered Bonds to be present and vote at any meeting without producing their Bonds, or to vote at any meeting by proxy, the Company with the approval of the Trustee, or if the Company after demand by the Trustee shall have failed to make such regulations, the Trustee may make and from time to time vary such regulations as it shall think fit for the deposit of Bonds with any Bank or trust company or any other company or person satisfactory to the Trustee. A certificate signed by any such Bank or trust company or other company or person that Bonds have been so deposited and will be held by the such bank or trust company or other company or person during any period mentioned therein, shall be sufficient evidence to justify action by the Trustee on the faith thereof, and the holder of any such certificate or the holder of a proxy who shall produce such certificate therewith shall be entitled to be present and vote at any meeting in the same way as if such holder were the actual bearer of the Bond mentioned in such certificate. Any regulations so made by the Company and approved by the Trustee, or so made by the Trustee as aforesaid, shall be binding and effective and votes given in accordance therewith shall be valid and shall be counted.

A holder of registered Bonds may by an instrument in writing under his hand, appoint any person his proxy to vote at any meeting for him.

Save as aforesaid, the only persons who shall be recognized at any meeting as the holders of Bonds or as entitled to be present and vote at a meeting in respect thereof, shall be the persons who produce unregistered Bonds at the meeting and the registered bondholders.

10. The Company and the Trustee, by their respective officers and directors, and the legal advisers of the Company and the Trustee may attend any meeting of the Bondholders, but shall have no vote as such.

11. In addition to all powers hereinbefore given, a meeting of the Bondholders shall have the following powers exercisable from time to time by extraordinary resolution only, viz: -
- a. Power to sanction any change of any provision of this Trust Deed and any modification or compromise of the rights of the Bondholders against the Company or against its property, whether such rights shall arise under the provisions of this Trust Deed or otherwise;
 - b. Power to sanction the exchange of the Bonds for or the conversion of the Bonds into stock, shares or other securities of the Company or any other company formed or to be formed;

Power to sanction whether or not otherwise provided for under this Deed any plan, scheme or proposal for the reorganization or reconstruction of the Company or for the re-adjustment, composition, compromise or arrangement of its capital, debts or affairs or for the consolidation, amalgamation or merger of the Company with any other company, or for the selling or leasing of the undertaking, property and assets of the Company or any part thereof;
 - d. Power to authorize the Trustee to accept in satisfaction or part satisfaction for the sale or transfer of all or any part of the mortgaged premises (whether such sale or transfer be made by the Company or by the Trustee or under any scheme for reconstruction of the Company or for the consolidation, amalgamation or merger of the Company with any other company) any shares (whether preferred, ordinary, deferred or founders), bonds, debentures mortgages, debenture stock or any other securities of any company formed or to be formed;
 - e. Power to authorize the distribution *in specie* of any shares or securities;
 - f. Power to authorize the Trustee to bid at any sale of the mortgaged premises or any part thereof and to tender in payment or part payment on account of the purchase price of any property so purchased all or any part of the Bonds and interest then due thereon and coupons then outstanding or to set off against such purchase price the amount due upon all or any of the Bonds and coupons then outstanding and to give to the Company a valid discharge in respect of the amount of Bonds and coupons so tendered or set off and to borrow the moneys required to make any deposit at said sale and/or to pay the balance of the purchase price and to mortgage and charge the property so purchased and the Bonds and coupons not so tendered as security for the repayment of the moneys so borrowed and interest thereon; or itself to advance such moneys, in which event the Trustee shall have a lien upon the properties so purchased and on the Bonds and coupons not so tendered for the

amount so advanced and interest thereon; and to hold any property so purchased and any part of the Bonds and coupons not so tendered (subject to any mortgage or lien to secure any moneys so borrowed or advanced) in trust for all the holders of the then outstanding Bonds and coupons *pro rata* in proportion to the amounts due to them thereon respectively in principal and interest before the making of such tender; and to sell, transfer and convey the properties so purchased for such consideration in cash or in the shares, stocks, bonds or debentures of any company formed or to be formed, or partly in cash and partly in such securities, and upon such terms and conditions as may be determined by extraordinary resolution of the Bondholders and until such sale, transfer or conveyance to maintain and operate the properties so purchased, and carry on the business if the undertaking shall be included in the properties so purchased, and for such purposes to borrow moneys or advance its own moneys and to mortgage and charge the undertaking and properties so purchased, or any part thereof, as security for the repayment of the moneys so borrowed or advanced, with interest thereon, and otherwise deal with such undertaking and properties and the proceeds of any sale, transfer or conveyance thereof as the Bondholders may by extraordinary resolution direct;

- g. Power to authorize the Trustee to release and discharge the Company from the whole or any part of the indebtedness secured hereunder and to release and discharge the whole or any part of the mortgaged premises from the lien hereby created;
- h. Power from time to time to appoint a committee with power and authority to exercise, and to direct the Trustee to exercise, on behalf of the Bondholders, such of the powers of the Bondholders that are exercisable by extraordinary or other resolution as shall be provided in any extraordinary resolution appointing such committee or subsequently from time to time adopted and subject to such limitations, if any, as may be thereby prescribed. Any such extraordinary resolution may provide for payment of the expenses and disbursements of and compensation to such committee. Such committee shall consist of such number of persons as shall be prescribed in any such extraordinary resolution and the members need not be themselves holders of Bonds. Every such committee may elect its chairman and may make regulations respecting its quorum, the calling of its meetings, the filling of vacancies occurring in its number and its procedure generally. Such regulations may provide that the committee may act at a meeting at which a quorum is present or may act by minutes signed by the number of members thereof necessary to constitute a quorum. All acts of any such committee within the authority delegated to it shall be binding upon all Bondholders;
- i. Power to require the Trustee to exercise or refrain from exercising any of the powers conferred upon it by this Trust Deed, or to require the Trustee, on having entered into or taken possession of the

mortgaged premises or any part thereof, to restore the same to the Company, or to discontinue or suspend any action or proceeding taken by the Trustee or by any bondholder or bondholders or to waive any default of the Company other than the non-payment of any principal moneys at maturity upon such terms as may be decided;

- j. Power to remove the Trustee from office and to appoint a new Trustee or Trustees;
- k. Power to amend, alter or repeal any extraordinary resolution previously passed or sanctioned by the Bondholders;

Provided always that no action shall be taken at any meeting of Bondholders affecting the rights of the holders of one or more series of Bonds in a manner or to an extent differing from that in or to which the rights of holders of any other series of Bonds are affected, unless such action shall have received the affirmative votes of the holders of at least fifty-one per cent (51%) of the principal amount of the Bonds then outstanding of each series so differently affected.

- 12. An extraordinary resolution passed at a meeting of the Bondholders held in accordance with the provisions hereof shall be binding upon all Bondholders and holders of coupons, whether present or absent, and each and every such holder.

The expression "extraordinary resolution" when used in this Trust Deed means a resolution passed at a meeting of the Bondholders duly convened and held in accordance with the provisions herein contained, at which holders of a clear majority in value of the whole of the then outstanding Bonds are present in person or by proxy, and carried by a majority consisting of not less than three-fourths of the persons voting thereat upon a show of hands, or if a poll is duly demanded, then by a majority consisting of not less than three-fourths in value of the votes given on such poll; provided that, where a meeting for the purpose of passing an extraordinary resolution is convened, if within half an hour from the time appointed for the meeting a quorum as in this paragraph above defined is not present, the meeting shall stand adjourned for twenty-one days and shall accordingly be held on the corresponding day of the week and at the same time and place as that originally fixed by notice convening the meeting, and notice of such adjourned meeting shall be given in the manner provided in Clause 2.16 hereof, and if at such adjourned meeting a quorum, as above defined, is not present, then those Bondholders who are present shall be a quorum and may transact the business for which the meeting was originally convened, and a resolution passed thereat by a majority consisting of not less than three-fourths of the persons voting thereat upon the show of hands, or if a poll is duly demanded, then by a majority consisting of not less than three-fourths in value of the votes given on such poll, shall be considered an extraordinary resolution within the meaning of this clause;

13. At any meeting of the Bondholders, in cases where no poll is required or requested, a declaration made by the chairman that a resolution has been carried, or carried by any particular majority, or lost, shall be conclusive evidence thereof;
14. Minutes of all resolutions and proceedings at every such meeting as aforesaid shall be made and duly entered in books to be from time to time provided for that purpose by the Trustee at the expense of the Company and any such minutes as aforesaid, if signed by the chairman of the meeting at which such resolutions were passed or proceedings had, or by the chairman of the next succeeding meeting of the bondholders shall be *prima facie* evidence of the matters therein stated, and until the contrary is proved every such meeting in respect of the proceedings of which minutes shall have been made, shall be deemed to have been duly held and convened and all resolutions passed thereat or proceedings had to have been duly passed and had.

Notwithstanding the foregoing provisions of this Trust Deed any resolution or instrument signed in one or more counterparts by the holders of all the Bonds for the time being outstanding shall be and be deemed to be and shall have the same force and effect as an extraordinary resolution passed by the holders of Bonds under the provisions of this Article with respect to extraordinary resolutions. In such event no notice shall be required to be given and no meeting shall be required to be held.

ARTICLE XXIV PROTECTION OF THE TRUSTEE

- 24.01 By way of supplement of the provisions of any Act of any of the Provinces of Canada for the time being relating to trustees, it is expressly declared as follows, that is to say:
 1. The Trustee may execute any of the trusts or powers imposed or conferred upon it hereby and perform any duties required of it, by or through attorneys or agents, and may in relation to these presents act on the opinion or advice of or information obtained from any lawyer, valuer, engineer, surveyor, broker, auctioneer or other expert, whether obtained by the Trustee or by the Company or otherwise, but shall not be bound to act upon such opinion or advice and shall not be responsible for any loss occasioned by so acting or by not acting, as the case may be; it may take legal or other advice and employ such assistance as may be necessary to the proper discharge of its duties and may pay proper and reasonable compensation for all such legal and other advice or assistance as aforesaid.
 2. Any such advice or opinion or information may be sent or obtained by letter, telegram, or cablegram; and the Trustee shall not be liable for acting on any advice, opinion or information purporting to be conveyed by any such letter, telegram or cablegram, although the same shall contain some error or shall not be authentic.

3. The Trustee shall only be accountable for reasonable diligence in the management of the trusts hereof, and shall not be liable for any act or default on the part of any co-trustee, or for having permitted any co-trustee to receive and retain any moneys payable to the Trustee hereunder, but the Trustee hereof shall only be liable for its own willful acts and defaults.
4. The Trustee is to be at liberty to place all bonds, stock certificates or other securities or deeds or other documents of title to any of the mortgaged premises in any safe or receptacle selected by the Trustee or with any banker or banking company or lawyer or firm of good repute or other depository, and the Trustee shall not be responsible for any loss incurred in connection with any such deposit, and the Trustee may pay out of the mortgaged premises all sums required to be paid on account of or in respect of any such deposit.
5. The Trustee shall not be responsible for any misconduct on the part of any attorney, banker, receiver, lawyer, agent or other person appointed by it hereunder, or bound to supervise the proceedings of any such appointee.
6. The Trustee shall not be bound to give notice to any person or persons of the execution hereof, or of the lien and charge of these presents, or in any way to interfere with the conduct of the Company's business, unless and until the security hereby constituted shall have become enforceable and the Trustee shall have determined or become bound to enforce the same.
7. The Trustee shall not be responsible for the moneys subscribed by applicants for or subscribes of the Bonds or to be bound to see to the application thereof.
8. The Trustee, except as herein otherwise provided, shall, as regards all the trusts, powers, authorities and discretions vested in it, have absolute and uncontrolled discretion as to the exercise thereof, whether in relation to the manner or as to the mode of and time for the exercise thereof, and in the absence of fraud it shall be in no wise responsible for any loss, costs, damages or inconveniences that may result from the exercise or non-exercise thereof.
9. No condition contained in this Deed shall be construed as obliging the Trustee to effect or main insurance or to notify the Bondholders of failure on the part of the Company to insure or cause any Pledged Subsidiary Company to insure, or to maintain or to properly operate and develop the property of the Company or of any Pledged Subsidiary Company, nor shall it be responsible for any loss which may happen by reason of any such failure as aforesaid.
10. The Trustee is not to be held liable for or by reason of failure or defect of title to, or for any encumbrance upon, the mortgaged premises, or the properties of any Pledged Subsidiary Companies, or for or by reason of the statements of facts or recitals in this Deed or in said Bonds contained, nor is such Trustee bound to verify the same; but all such statements and recitals are deemed to have been made by the Company only; and it is

hereby declared and agreed by and between the parties hereto, as a condition upon which the Trustee has entered into these presents and accepted the trust hereby created, that nothing herein contained shall in anywise cast any obligation upon the Trustee to make, register or renew this or any other Deed or writing by way of mortgage or otherwise from the Company, upon or of the mortgaged premises or any part thereof, or upon or of the property of any Pledged Subsidiary Company, in order to add to the security hereby intended to be given; nor shall it be the duty of the Trustee to register or record this Deed as a mortgage or otherwise, or to procure any further or additional deed or instrument of further assurance, or to do any other act which may be suitable or proper to be done for the preservation of the security hereby created or for giving notice of the existence of any such lien or charge or supplementing the same, except when otherwise expressly provided herein.

11. Whenever, in the administration of the trusts of this deed, the Trustee shall deem it necessary or desirable that any matter be proved or established by the Company prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate signed by the President or Vice-President and the Secretary or an Assistant Secretary and such certificate shall be full warrant to the Trustee for any action taken or suffered by it under the provisions of this Deed on the faith thereof; but in its discretion the Trustee may in lieu thereof accept evidence of such fact or matter or may require such information or additional evidence as to it may seem reasonable.
12. The Trustee may buy, sell, lend upon and deal in the Bonds either with the Company or otherwise, and generally contract and enter into financial transactions with the Company or otherwise without being liable to account for any profit made thereby.
13. The Trustee shall not be required to give security for its conduct or administration, and shall be responsible to account only for moneys actually coming into its hands under any provision hereof and shall not be deemed by the execution hereof to have adopted, assumed or incurred any liability under any lease, licence or contract or be required to perform any covenant in any thereof assigned hereunder to the Trustee and the Trustee shall not nor shall any receiver or receiver and manager appointed by it be responsible or liable, otherwise than as a Trustee, for any debts contracted by it or for damages to persons or property or for salaries or nonfulfillment of contracts during any period wherein the Trustee or receiver or receiver and manager shall manage the mortgaged premises upon or after entry as herein provided, and shall not be responsible for the acts, omissions, defaults, errors, fraud, failure or misconduct of any agent whom it may reasonably employ in the exercise of the powers conferred upon it hereunder and in the selection of whom it shall have exercised reasonable care, nor for loss occasioned by its own acts, omissions or defaults unless such acts, omissions or defaults constitute a breach of trust knowingly and intentionally committed by said Trustee; provided, however, that the Trustee shall upon the request and at the cost and expense of the

Company take or permit the Company to take all such actions by legal proceedings or otherwise as may be open to it in respect of any loss sustained by any act of commission or omission of any such agent.

14. The Trustee and its successors and assigns in the trust shall hold the mortgaged premises and the specific mortgage pledge and charge and the floating charge and all the rights, privileges and benefits conferred hereby and by law and by any deeds supplemental hereto, in trust for the various persons, firms or corporations who shall or may at any time become or be Bondholders, or any of them, subject to all the terms and conditions herein set forth.

ARTICLE XXV ACCEPTANCE OF TRUST BY TRUSTEE

- 25.01 The Trustee hereby accepts the trusts in this Deed declared and provided, and agrees to perform the same upon the terms and conditions herein set forth, but subject to the express condition that it shall be responsible only for money coming into its hands under any provision hereof.

ARTICLE XXVI EFFECT OF HEADINGS

Credit Highlights

Overview

Key strengths	Key risks
Low-risk, integrated electricity generation, transmission, and distribution utility.	Exposure to physical risks, including storms, hurricanes, and wildfires.
Generally supportive regulatory framework that minimizes exposure to commodity input costs.	Lacks geographic and regulatory diversity, operating only in the province of Prince Edward Island (PEI).
A moderately strategic entity to its parent Fortis Inc., which we expect would provide extraordinary support under some circumstances.	Risk of political interference in establishing energy policy and setting rates from provincial government.

Maritime Electric Co. Ltd. (MECL) is exposed to physical risks as it serves the province of PEI, exposing it to the effects of climate change including hurricanes, ice-storms, wildfires, and flooding. The pervasiveness of dry conditions due to fewer rainfall events has amplified, increasing the probability for wildfire conditions. Overall, we view climate change as negative for credit quality. The damage and destruction from weather-related events destroy property and can lead to fatalities. Following such events, a utility files for the recovery of damaged or destroyed property and at the same time insurance costs usually rise. To mitigate further destruction, utilities also undertake multidecade investments in system-hardening and wildfire-mitigation programs. Collectively, these rising costs significantly increase the customer bill, making it increasingly challenging for the utility to effectively manage regulatory risk.

The utility is exposed to potential political interference through the provincial government, which has a history of playing an active role in establishing energy policy and setting rates for the island's customers. We view this as generally less favorable than an independent regulator with a clear, consistent mandate and an established track record of credit-supportive policies.

MECL lacks geographic and regulatory diversity. Compared with its utility peers, the company has a small customer base and lacks geographic and regulatory diversity, which is slightly offset by its vertically integrated rate regulated electric utility operation that has a track record of constructive regulatory outcomes and stable profit measures. Therefore, we rate MECL business risk profile as strong.

Outlook

The negative outlook on MECL reflects our negative outlook on Fortis, as well as the potential that we will reevaluate the physical risks for relatively small island-based utilities that are vulnerable to natural disasters following our risk assessment in the wake of the Hawaiian wildfires. We expect MECL's stand-alone fund from operations (FFO) to debt will be in the 16%-18% range through 2025.

Downside scenario

We could lower our rating on MECL by more than one notch over the next 24 months. We would downgrade MECL if we downgrade parent Fortis. We could also downgrade MECL if we determine that the physical risks associated with relatively small island-based utilities are increasing based on our assessment in the wake of the recent Hawaiian wildfires. Further, we could downgrade MECL if its stand-alone financial measures weaken such that its FFO to debt drops below 16%.

Upside scenario

We could affirm our ratings on MECL and revise our outlook to stable over the next 24 months if:

- We do not downgrade Fortis;
- The business risk does not increase; and
- MECL's FFO to debt remains above 16%.

Our Base-Case Scenario

Assumptions
<ul style="list-style-type: none">• The economy in its service territory remains stable with a modest increase in its customer base;• No material adverse regulatory decisions;• Capital expenditure (capex) averaging about C\$95 million per year through 2026; and• Average annual dividends of C\$9 million through 2026.

Company Description

MECL is an integrated electricity generation, transmission, and distribution utility with operations throughout PEI. It provides services to more than 89,800 customers and is regulated by Island Regulatory and Appeals Commission (IRAC). MECL is an indirect wholly owned subsidiary of Fortis.

Business Risk

Our assessment of MECL's business risk reflects its lower-risk, rate-regulated, and vertically integrated electric utility business as well as its management of regulatory risk, which we view as consistent with that of its peers.

We view the island as having increasing susceptibility to physical risks due to climate change. MECL has proactively invested in the hardening and replacing portions of its electric system to minimize customer service outages. Despite these improvements, the region remains susceptible to the increasing prevalence of storm systems, winter ice, and sleet activity in the region. Also affecting the company's business risk profile is its very small customer base (only about 89,200) and its lack of geographic diversity (its service territory is limited to a single island). If the company experiences a severe storm, it will likely affect its entire service territory and recovering such costs would likely be more challenging than for more larger and more diversified utilities.

Our assessment of MECL's business risk also reflects the active role of the IRAC and the provincial government of PEI in establishing energy policy and setting rates for the island's customers, which exposes the utility to potential political interference. We view this as generally less favorable than an independent regulator with a clear, consistent mandate and a track record of credit-supportive policies. As such, we expect the company to maintain constructive relationships with its regulator in a manner that continues to support its credit quality.

We believe the storm risk for MECL marginally increases as the pace of climate change intensifies. We also believe MECL's business risk profile is now more in line with its other island peers such as Caribbean Utilities Co. and Hawaiian Electric Co. Inc.

Additionally, we believe MECL has somewhat higher emission risks because the utility relies on diesel as its primary fuel for its on-island back-up generators. Overall, MECL purchases most of its power supply, about 75%, from neighboring province New Brunswick, including about 15% from the Point LePreau nuclear generation station and 25% from on-island wind assets.

Offsetting much of the aforementioned risks is our assessment of MECL as a monopolistic lower-risk, rate-regulated vertically integrated electric utility that has a track record of constructive regulatory outcomes and stable profit measures. MECL has generally managed regulatory risk effectively by relying on credit-supportive mechanisms such as energy cost adjustments and weather normalization in its rates, which provide stable cash flows, minimizing profit volatility. Overall, we assess the company's business risk profile as strong.

Financial Risk

We assess MECL's financial risk profile using our medial-volatility financial benchmark table, which reflects the company's lower-risk regulated utility operations and effective management of regulatory risk.

Our analysis also incorporates the rate decision from the IRAC in April 2023 that includes a rate increase of about 2.6% effective May 1, 2023. The rate settlement also includes revenue increase of about 2.6% and 2.7% effective March 1, 2024, and March 1, 2025, respectively. The rates are based on an approved ROE of 9.35% with an upper band of 9.70%. This means that although an ROE of 9.35% was used to calculate customer rates, MECL will have the opportunity to earn an ROE of up to 9.7% through operating efficiencies or business growth.

Under our base-case assumptions include rate case outcomes, capital spending averaging about C\$95 million through 2026, and dividends of about C\$9 million per year. We forecast the company will maintain FFO to debt of about 16%-18% during our two-year outlook period.

Liquidity

We assess MECL's liquidity as adequate because we believe its liquidity sources will likely cover uses by more than 1.1x over the next 12 months and meet cash outflow even if EBITDA declines 10%. The assessment also reflects our view of the company's generally prudent risk management, sound relationship with banks, and generally satisfactory standing in the credit markets. We believe the predictable regulatory framework for MECL provides manageable cash flow stability even in economic stress, supporting our use of slightly lower thresholds to assess liquidity. In addition, we believe MECL can absorb high-impact, low-probability events given that it maintains about C\$50 million in committed credit facilities, and we believe it can lower its high spending (averaging about C\$95 million annually) during stressful periods, indicative of a limited need for refinancing under such conditions. Overall, we believe the company can withstand adverse market circumstances over the next 12 months with sufficient liquidity to meet its obligations. The company has no significant long-term debt maturities for the next five years.

Principal liquidity sources	Principal liquidity uses
<ul style="list-style-type: none">Available committed credit facilities of about C\$50 million as of Dec. 31, 2023; andCash FFO of about C\$60 million over the next 12 months.	<ul style="list-style-type: none">Maintenance capex of C\$60 million over the next 12 months; andDividend payments of about C\$9 million over the next 12 months.

Environmental, Social, And Governance

ESG factors have no material influence on our credit rating analysis of MECL. That said, potential waste, health, and safety risks are relevant given the company's indirect exposure to nuclear power generation.

Group Influence

MECL is an indirect, wholly owned subsidiary of Fortis. We view the company as moderately strategic to Fortis's group, which reflects our view that it is unlikely to be sold, has the support of management, is reasonably successful at its operations, and is aligned with Fortis' overall business strategy. Based on our 'bbb' stand-alone credit profile on MECL and our 'a-' group credit profile (GCP) on Fortis, there is one notch uplift to our ratings on the company which is capped at one-notch below Fortis' 'a-' GCP.

Issue Ratings--Subordination Risk Analysis

Capital structure

As of Dec. 31, 2023, MECL's capital structure consisted of about C\$32.5 million of short-term borrowings and C\$320 million of first-mortgage bonds (FMB).

Analytical conclusions

MECL's FMBs benefit from a first-priority lien on the majority of the utility's real property owned or subsequently acquired. In addition, the collateral coverage on these FMBs is more than 1.5x, which supports a recovery rating of '1+' and an issue-level rating of 'A' (two notches above our 'BBB+' issuer credit rating on MECL).
