

CANADA

PROVINCE OF PRINCE EDWARD ISLAND

**BEFORE THE ISLAND REGULATORY  
AND APPEALS COMMISSION**

**IN THE MATTER** of the Application and Supplemental Application of Maritime Electric Company, Limited for the approval of a Supplemental Capital Budget Request for the On-Island Capacity for Security of Supply Project, pursuant to Section 17 of the *Electric Power Act*, RSPEI 1988, c. E-4;

**AND IN THE MATTER** of requests for confidentiality made by Maritime Electric Company, Limited, pursuant to the Rules of Practice & Procedure.

**AMENDED APPLICATION TO VARY**

Pursuant to Section 12 of the *Island Regulatory and Appeals Commission Act*, Maritime Electric Company, Limited ("MECL") hereby applies to vary Order UE25-07.

In Order UE25-07, the Commission accepts MECL's position that information contained in MECL's Application that would reveal cost information and price assumptions related to MECL's Energy Purchase Agreement ("EPA") with NB Power should remain confidential.

Having come to this conclusion, UE25-07 proceeds to approve the redaction of EPA details from MECL's Application. However, upon review, MECL notes that Exhibit M-1-Appendix F, page 4 lines 2 and 3 dealing with avoided capacity costs and Exhibit M-12-Appendix F, page 4 lines 2 and 3 are not redacted. Revealing the avoided capacity costs, when combined with publicly available details, would disclose cost information related to MECL's EPA with New Brunswick Power and would be contrary to the Commission's conclusion.

Given the foregoing, MECL respectfully requests that Order UE25-07 be varied to permit the redaction of the avoided capacity cost information contained in MECL's Application at Exhibit M-1-Appendix F, page 4 lines 2 and 3 and Exhibit M-12-Appendix F, page 4 lines 2 and 3.

All of which is respectfully submitted this 12<sup>th</sup> day of January, 2026.

---
