Dear Commissioners:

On April 9, 2026, the Company received interrogatories ("IRs") from the Commission regarding the Energy Cost Adjustment Mechanism Rate Adjustment Application (Docket UE20606). Along with the IRs, there was a request for the Company to file the responses with the Commission by April 24, 2026.

The Company respectfully requests an extension to May 8, 2026, to file the responses. This extension will allow sufficient time for a thorough review to ensure the responses are comprehensive and adequately address the intended subject matter.

If you require further information, please do not hesitate to contact me at 902-629-3641.

Yours truly,

MARITIME ELECTRIC
