Dear Commissioners:

**UE20746 – 2026 Capital Budget Application
Responses to Interrogatories from Commission Staff**

On April 21, 2026, the Company received interrogatories ("IRs") from the Commission regarding the 2026 Capital Budget Application (Docket UE20746). Along with the IRs, there was a request for the Company to file the responses with the Commission by May 22, 2026.

Responses to interrogatories related to the projects identified as time-sensitive items in Table 2 of the cover letter attached to the 2026 Capital budget Application were filed on May 19, 2026. With these responses, the Company requested an extension to June 5, 2026 to address the remaining interrogatories.

The Company respectfully requests a further extension to June 12, 2026, to file the outstanding responses. This extension will allow sufficient time for a thorough review to ensure the responses are comprehensive, include the signed affidavit and adequately address the intended subject matter.

If you require further information, please do not hesitate to contact me at 902-629-3641.

Yours truly,

MARITIME ELECTRIC
