FOR IMMEDIATE RELEASE

Charlottetown, Prince Edward Island, September 18, 2026 – Yesterday at 1:57 PM, the Island Regulatory and Appeals Commission received the Interim Report issued by the Review Commission appointed by the Government of PEI.

At this time, we are carefully reviewing the interim report and recommendations made by the Review Commission. As the Review Commission will be accepting feedback on the proposed recommendations, we look forward to the opportunity to contribute once our review of the report and recommendations is complete.

The Commission remains focused on its service to Islanders in fulfilling its appellate, regulatory, and administrative responsibilities, as outlined in various pieces of provincial legislation. We are pleased to see the Report acknowledges the hardworking Commission staff that have continued to work with professionalism, expertise, and integrity in fulfilling our mandate while the review has been ongoing.
