

Island Waste Management Corporation Application for Rate Increase

The Island Waste Management Corporation has applied to the Commission to increase its rates. Below is a summary of the proposed rate increases:

Fee Category	Current Rate	Proposed Rate
Residential Year Round	\$236	\$261
Residential Seasonal	\$116	\$130
Residential Seasonal Extended	\$155	\$171
Commercial Disposal (per tonne)	\$122	\$122
Waste Watch Drop-Off Centre (per tonne)	\$137	\$137

IWMC has requested that new residential rates take effect on January 1, 2025, which would be included on the spring 2025 residential property tax bills, and that commercial rates take effect on April 1, 2025.

IWMC has also requested to earn a rate of return of 1%, as provided for under Section 18.1 of the *Environmental Protection Act*, to provide a stable operating environment. The proposed return is included in the residential and commercial rates proposed by IWMC in its application.
