

Notice of Application

Maritime Electric Open Access Transmission Tariff Changes

Maritime Electric Company, Limited has filed an application with the Prince Edward Island Regulatory & Appeals Commission seeking approval of changes to certain charges under its Open Access Transmission Tariff ("OATT").

BACKGROUND

The OATT, approved August 1, 2018, Order UE18-05, defines the terms, conditions and price by which third parties can access Maritime Electric's transmission system. Maritime Electric is required to apply, at least once every three years, for approval of its transmission revenue requirements. In the Application, Maritime Electric seeks approval of its transmission revenue requirements for 2025.

DETAILS

Maritime Electric is seeking approval to change a number of the charges payable under its OATT, including charges for point-to-point transmission service and network transmission services. A complete list of proposed changes can be found in the Application.

HOW TO SEE THE APPLICATION

The information contained in this notice is an overview only. A complete copy of the application, Docket UE20947, is available on the Commission website at www.irac.pe.ca. A paper copy is available by writing to Maritime Electric at the address below.
