Dear Messrs. Key, MacDonald and O'Shea:

Re: LA23004 Sheldon Stewart and Mike James v Minister of Agriculture and Land

As you will recall, on May 17, 2024, upon request of Counsel for the Appellants, the Commission agreed to adjourn the hearing of this matter that had been scheduled for Wednesday, June 19, 2024.

We have not corresponded with the parties since that time.

Please advise whether the parties are currently in a position to schedule this matter for a hearing. If so, Commission Staff will be in touch to offer new dates.

Trusting this is satisfactory.

Yours truly,

Michelle Walsh-Doucette
Commission Clerk
