Subject: Objection

Hi,

Just a quick note stating my reason for not being in favour of DP Murphy building another gas station in Borden Carleton.

This community has worked hard over the years to have what they have. The 2 family owned businesses have helped each and every person in the community. Growing up in that area it was a bike ride to Cerettis for candy, treats or whatever I could pick up for my parents. As I got older I worked at Howatts pumping gas for a couple summers then I started driving and it was my place to purchase gas. Both stores made you feel at home, and still do when I venture out that way!

If DP Murphy is allowed to go ahead with this it will be devastating for two family owned businesses and I feel those memories of a close community connection will diminish. Don't let DP Murphy go ahead with this. It's not right. It's not fair.

I do not support DP Murphy.
