Subject: Gas station in Borden Carlton

I live in Halifax and I come to the Island every couple weeks to visit family. I do not believe that Borden Carlton needs another gas station. We have been going to the Shell for 15 years. It's are favorite place to stop on the way into and off the Island. Supporting a local company is very important to us. It would be devastating to lose these local companies we love so much!

Thank you!

The Barron family
