As a resident of Borden-Carleton all our lives John and I have had the privilege yes a privilege of having Howatt's Shell and Ceretti's Grocery in our community. These local companies have gone above and beyond for many of us if not all of us in one way or another over the years and in our time of need. They still give support to the locals in any way they can on a daily basis and that is hard to beat.

The tourists are here passing through for a few months yes, but, the local community is what keeps the businesses going the remainder of the year.

We as residents of this great local community do not feel another gas is warranted and we SUPPORT Howatt's Shell and Ceretti's Grocery.
