Subject: Notice of Opposition to the D.P. Murphy Inc. application to build a petroleum outlet in Borden-Carleton

Dear Mr. MacEwen,

I am writing to express my objection to the application submitted by D.P Murphy Inc. for the proposed gas station in Borden-Carleton.

I have been lucky enough to know the Howatt brothers for nearly 20 years. Their work ethic, kindness and dedication to their loved ones and those in the community is extremely admirable. They will forever be the first ones to drop everything to assist others.

They are true role models for their children & grandchildren. It would be extremely unfortunate to take the opportunity of passing the Shell Gas Station down to the next generation away from them.

Please reconsider the addition of a 4th gas station in the Borden community. Let the existing family run businesses thrive. Please give the community the ability to watch the next generation of Howatts grow up!

Thank you for your time,

Brianna Flood
