Subject: Opposition to Application of D.P. Murphy Inc. Docket number PD527 Attention Mr. MacEwen

Mr. MacEwen,

I am writing to voice my absolute opposition to the D.P. Murphy application for the Coffee Shop/ Gas Bar/ Convenience Store proposed for Borden.

There is no such need for this facility in Borden PEI, and as such should NOT be approved. The Community of Borden and its residents do not deem it any way essential to their community and their thoughts and wishes need to be heard and need to be respected.

Family operated businesses such as Howatts and Ceretti's are the Backbones of our small communities and have been in the Community of Borden for Generations.

Borden is a strong knit community, its Residents and Businesses have looked out for and supported each other for generations and will continue to do so for many more years.

This proposal/ application is not seen as an enhancement or a valuable addition to the Community of Borden and as IRAC is the governing body here, it is ABSOLUTELY YOUR RESPONSIBILITY to deny it.

Cynthia Lawless
