Subject: Opposed to development

As a long standing citizen of Borden-Carleton and a supporter of small family owned businesses I strongly oppose any development that would put these folks in jeopardy. D.P. Murphy could put in any other business that wouldn't put these people at risk of closing their doors. A Wendy's, fine. A Tim Horton, fine, but another gas station is not what this community needs or wants. I strongly urge you and your department to take a hard long look at this development application and turn it down and listen to the people that will be affected in a negative way.
