Subject: Opposition to D.P. Murphy's Application for a gas station in Borden-Carleton

Mr. MacEwen,

I am writing to oppose the permit of D.P. Murphy Inc. to build a gas station in our community of Borden-Carleton. We presently have 3 gas stations in our community, 2 of which have been family owned and operated for decades. They have more than met the needs of locals and travellers alike for many, many years. To see them close their doors due to another gas station opening would be a huge loss to our community. Please consider this in your decision.

Thank you.
