Subject: Opposing New Gas Station In Borden-Carleton

Dear Mr. MacEwen,

I am writing to oppose the D P Murphy Inc application to build another gas station in Borden-Carleton.

Our small family businesses are the heart of our community. Adding another gas station could jeopardize their existence and the unique character they bring.

It's not just about convenience; it's about preserving the heart of our community. Howatt's and Ceretti's have been there for us during good times and bad, supporting local events, and lending a helping hand whenever possible. They've played an essential role in shaping our neighborhood's identity, and losing them would leave a void that cannot be filled.

Thank you for taking the time to listen to my concerns.

Sincerely,

Heather Green
