Subject: Borden carlton

To Whom it May Concern,

I would like to voice my concern and strongly oppose the application for DP Murphy to be allowed to built in Borden-Carleton on the corner of Dickie Road and Highway 1.

Borden Carlton has three gas stations in a very small populated community two of which are family owned and run and have served our community for a very long time.

As well something that should be seriously addressed and followed up on.

Does the town not have to post permits issued to date anymore? No permits have been posted since 2018!

Unacceptable!

Regards,
