Subject: Gas Station in Borden!!

OK people, don't you all know The Murphys have enough of PEI in their pockets and enough money also. Why would anyone think it would be right to let them put up this guzzling gas station in Borden/Carlton when this small place already has three long time Family Owned stations! You just keep taking from the little guys and giving to the big guys which sure as hell don't need any more money!

Just speak to your God before you do the people of Borden/Carlton wrong!

Thank you for your time!
