Subject: Object application for Borden

Mr. MacEwen

I object to the application proposed by D.P.Murphy Inc to build another gas station within the area of Borden Carleton, PE.

I have been a resident of Borden Carleton, PE my whole life.

Grew up here, and now raising my family here.

One thing that I have never had trouble purchasing in this very small town is gasoline!! Never have to wait in a line, in fact I have 3 options now. I can even get gas here in the middle of the night if I want to.

WE DO NOT NEED ANOTHER GAS STATION!!!!!!!!!!!!

What we DO NEED is CERETTI'S AND HOWATTS

Listen to the Residents and make the right decision here!

Thank You,

Kendra Noonan

(A very concerned resident)
