**Subject:** Objection to D.P. Murphy business in Borden-Carleton

Realizing this objection is not new to you, I want to stress the fact that allowing construction of a new gas station/convenience store is not necessary in our town! Anyone with good judgement would see the silliness of this, our current local business namely Ceretti's Grocery/Hardware Store and Howatt's Shell do a fine job serving community and visitors! I think D.P. Murphy should be ashamed at even the thought of their company's intentions!

Please consider this letter my objection to the proposed construction.
