To whom it may concern :

I Laurie leard am opposed to a new gas station in Borden Carleton ! The gas stations that are currently here are sufficient enough and we can not afford to lose our current locations because of the products they offer! 4 gas stations with in a half mile is disgusting when our community needs other services worse ! Also hearing that there will be right away onto an already crowded highway ! Who ever though that was a good idea should have to wait the 15 min that we do to enter the highway from the two 4 ways just outside Borden as summer traffic is heavy ! Laurie Leard
