Hello Mr. MacEwen,

This email is to state that I am in opposition of the recent application to build a new gas station in Borden-Carleton. There is no need in this small and rural community for a fourth gas station. Petroleum and other convenience store related needs are presently being thoroughly met by the existing stations in the area.

Thank-you,

Lori Ann Howatt (of no relation to the Howatt's family who owns Howatt's gas Station)
