Subject: Opposition of application of DP Murphy Inc. Docket number PD527

Good Morning Mr. MacEwen,

I am writing in regards to the above application by Mr. Murphy to open yet another gas station in the Borden-Carleton area. There are already 3 gas stations in the area, a fourth one is hardly necessary, in my opinion. Furthermore, Howatt's and Ceretti's stations also provide groceries and hardware for sale and have been in operation for many generations and have served the people of the community in many ways. They have been financial supporters to the communities for years as well.

Thank you for your consideration!

Mary Ellen Murray
