**Subject:** Proposed DP Murphy Gas Station - Borden Carlton

Dear Mr. MacEwan

Please take this email as our opposition to the application for DP Murphy's proposed gas station in Borden Carleton.

In a small community 3 gas station is more than adequate to serve those that reside there, those that work there and visiting public using the bridge.

IRAC's acceptance of this application would do nothing but harm family businesses, businesses who have served their community for generations.

Borden Carleton is not the place for another gas station and we urge you to listen to community members and concerned islanders on this matter.

Kind regards

Melanie and Paul Press
