Attention: Allison MacEwen, Director

Dear Mr. MacEwen

As a resident of Borden-Carleton area I formally oppose the D.P. Murphy application to build a gas station in Borden-Carleton.

I believe that another gas station in Borden-Carleton would be damaging to the other three stations in the area. Ceretti's and Howatt's in particular have served our community (and my family) for generations.

The revenue from fuel allows these stores to provide a large variety of stock in their stores, it also allows them to extend credit to the residents of the area.

Potentially losing these businesses would be a devastating loss for our community. I do not feel there is enough traffic to sustain four gas stations in the community especially outside tourist season.

I would ask that you take Borden-Carleton into consideration and deny D.P Murphy's application to build another gas station in Borden-Carleton.

Thank you for your time,

Melanie Rodgers
