Subject: Opposition to Application of D.P. Murphy Inc. Docket number PD527

I object to the gas application from D.P.Murphy Inc.

My husband Roger and I object to the retail gas application from D.P. Murphy Inc.

3 gas stations are more than enough in our small community.

To put another gas station would definitely put another gas station or 2 out of business when absolutely unnecessary. Howatt's and Ceretti's are Multi-Generational stores. They support the community in many ways- local fundraiser's, local sports.

They are well known in the community for helping families in need.

Please do NOT APPROVE this application.

Sincerely,

Nancy Harvey
