Subject: Objection to 4th gas station in Borden

I Object to the 4th gas station in Borden. It will take away from a local family built business's that have been part of the community and are icons. You will be changing the culture of Borden and life styles.

Please support the locally owned businesses first. Give them your attention and loyalty as they have shown theirs. I always personally support local businesses when I travel and shop. Big corporations do Not need support. Give moneys and assistance to the smaller businesses to wich Canada was founded. To the Hard working families.

Thank you for supporting LOCAL.
