**Subject:** Borden-Carleton Development

Good Morning,

I am writing to voice my protest against any new development in Borden-Carleton of Irving or any other company putting in a new business that would be in competition to Ceretti's, ESSO or Shell in that area. It is unconscionable that any new business in this area would be considered. These three established businesses are serving the area quite well and there is no room for any other business to go in there.

Yours sincerely,

Peter Kean
