Subject: Proposal

Personally I am so upset that IRAC would entertain the idea of allowing a company, which has become more based on greed to operate in Borden Carleton are. Really four service stations in such a small area. How much longevity do they have in this community. Just between Howatt's and Cerritti's their family only knew of Borden as a way to leave PEI. Now they want to profit from the community and drive these wonderful establishments out. Shame on you for considering the proposal.

I stand for Cerritti's and the Howatt's in our community.
