Subject: Borden gas station

We would like to express our opinion on the recent application from Murphy's on another gas station in Borden. It would be a shame if this was approved. Howatt's and Ceretti's have been a long family tradition in the community for years. We certainly do not need another station here and possibly put these stores out of business. We have nothing against the Murphy group and another Tim Hortons would be ok ,but we do not need another gas station.

Thank you

Ron and Brenda Cutcliffe
